This message is sent on behalf of Estina Pratt.
Please send all correspondence to epratt@elcamino.edu.

The Compton Center Library is requesting suggestions of materials from faculty and staff and administrators.
We welcome your input, so please send us titles together with their ISBNs, of what you would like added to the collection. They can be in print or media format.
Please e-mail all requests to any of the librarians.

Dr. Chelvi Subramaniam
