**Additional Comments**

---

**19. Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).**

We used the Perkins IV Summary Core Indicators by TOP Code reports for the most recent three years available for each discipline, including those disciplines with at least 10 completers per the outcomes report from the CCCCCO Data Mart. If the discipline did not have a stretch goal, one was calculated by a 5% increase of the three-year average. If the discipline did not have a standard goal, one was calculated taking a 10% decrease of the three-year average.
