Final Thoughts

I am thrilled to share with you the [photos from our recent Annual Community Day](#) held on April 20, 2024. It was a special day filled with smiling faces. From the faculty, Classified Professionals, and community members who staffed the resources fairs to the MESA/STEM students launching rockets in the Quad, it was a memorable day that brought our community together. Again, thank you to all who participated. I'm looking forward to next year's event. Click [here](#) to view the photo album.
