Subject: President/CEO Message - June 12, 2024 - ACCJC Reaffirm Compton College's Accreditation for Seven Years

Campus Community,

Today, June 12, 2024, I received Compton College's [letter from the Accrediting Commission for Community and Junior Colleges](#) (ACCJC) regarding the outcome of their meeting on *June 5-6, 2024*. The ACCJC acted to reaffirm Compton College's accreditation for seven years. The College received two commendations and no recommendations:

Standard IV.B.1, IV.B.3, IV.B.6 (Commendation 1): The Commission commends the chief executive officer's leadership in organizational planning, institutional goal setting, and fostering strategic community partnerships that have improved student success through enhanced access to basic needs.

Standard II.B.1, II.C.3 (Commendation 2): The Commission commends the College for its prioritization and institutional commitment in developing and sustaining transformative student supports that are essential to student success and ensure equitable educational access to all students.

This letter and the [Peer Review Team Report](#) are posted on the Accreditation webpage.

The College will submit its midterm report to the ACCJC, which is due on *March 1, 2028*. The next comprehensive review will begin with the Team Institutional Self Evaluation Report (ISER) Review in *fall 2030* and conclude with a Focused Site Visit in *spring 2031*.

I want to thank the Vice President of Academic Affairs, Dr. Sheri Berger, for her leadership in the College's accreditation efforts and writing of the ISER. Special thanks to Amber Gillis, Accreditation Faculty Coordinator, and you for your continued support of the work we are all doing to support student success.

Sincerely,

Keith Curry, Ed.D.
