

## **DISTANCE EDUCATION COURSES (Online and Hybrid) – Fall 2017**

Distance Education at El Camino College Compton Center offers students a convenient way to take a variety of classes online. Distance Education courses are fully accredited and offer the same high-quality instruction and rigor as traditional classes. The registration process, course content, course credit and cost per unit are the same as equivalent courses held on campus. Anyone eligible to take courses on campus may enroll in Distance Education courses.

**Distance Education courses** are in two categories, **Online** and **Hybrid**.

- Online** — courses presented fully online via the Internet
- Hybrid** — courses presented partially in-class and online via the Internet  
(you must attend the class as scheduled)

### **Access to Distance Education Courses**

You must be officially registered to access the learning management system that is used for Distance Education courses.

Distance Education courses are accessed through the Internet via a learning management system. Compton College is currently using the Etudes and Canvas learning management systems.

[Canvas](#) Login → The login username and password for Canvas are the MyECC login information.

[Etudes](#) Login → The login username is the same as the MyECC username; the password is the day and month of your date of birth (for example, August 8, 1999 would be 0808 [four digits only]).

*Fully online courses are published (activated) on the first official day of the course session.*
