Academic Strategies Course Description (ECC College Catalog)

Academic Strategies 60
Strategies for Success in Distance Education
1 unit; 1 hour lecture
Credit, not degree applicable

The goal of this course is to prepare students for taking distance education classes. This course covers the basics of taking an interactive, asynchronous distance education course via the Internet or other computer-based systems. Use of email, online class interactions such as discussion groups, World Wide Web access, equipment needs and differences between online and onsite courses will be covered.

Check the schedule for semester course offerings.
