Drops and Withdrawals

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student who fails to properly register or add a class will NOT receive credit for that class. Adding after the deadline is prohibited. If a student drops after the refund deadline, fees for the classes are forfeited. Any class subsequently added will require additional fees.

Students who want to transfer to a different section must complete a Section-Level Transfer form located online at www.compton.edu/admissions-aid/admissions-records/forms.

Attendance

Students who enroll in a class but do not attend the first scheduled class meeting may be dropped from the roster. Additionally, their place in the class will be given to students on the waiting list.

If an illness or emergency prevents a student from attending the first class session, the student must contact the instructor. A student who registers for a class and never attends is still responsible for dropping the class. Failure to properly drop a class by the appropriate deadline may result in a "W" and may hold the student responsible for any and all fees associated with the class. The burden of proof is on the student.

Transcripts

A transcript of the student's academic record at Compton College may be requested online at www.compton.edu/admissions-aid/admissions-records/transcripts. College work from other colleges will not be included on the Compton College transcript. Academic transcripts and documents from other colleges must be requested from those colleges. Fees and Holds

Enrollment and other required fees are charged at the time of registration. Payment is due in accordance with the published payment deadlines established by Compton College for each term.

Students who fail to pay required fees by the published deadline may be subject to consequences for non payment, which may include being dropped from classes prior to the start of instruction and/or having a registration hold placed on their account. Registration holds may prevent enrollment in future terms and may restrict access to certain College services until the outstanding balance is resolved.

All required fees, as well as any optional fees requested at the time of registration (such as the Student Activities Fee and Student Representation Fee), must be paid by the applicable deadline.

Students who are placed on a waitlist are responsible for monitoring their Compton College email account daily. If a student is admitted to a class from the waitlist, the associated fees must be paid by the next published payment deadline. Failure to pay required fees by the deadline may result in the student being dropped from one or more classes and/or being subject to registration holds, consistent with College policy.

STUDENTS OWING $200 OR MORE

Students who have a balance of $200 or more will be dropped from Winter 2026 classes (including waitlisted classes) if payments are not received by the dates listed below:

In accordance with California Education Code 76355, students may submit a petition to the Vice President of Student Services to waive the health fee based on the following conditions:

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
- Students who are attending a community college under an approved apprenticeship training program

Exemptions: Part-time dual-enrolled high school students are not required to pay the Health Fee.

Student Activities Fee

All students are charged the $10 Student Activities Fee when they register for fall and spring classes. Students may opt out of the Student Activities Fee within the first two weeks of the semester.

All students may opt out of this fee at the time of registration or by notifying the Office of Student Development at studentdevelopment@compton.edu.

Students who opted out of the fee can pay the fee at any time during the semester and receive an ASG sticker at the Bursar's Office (SSB-161).

Student Representation Fee

The Student Representation Fee is a $2 charge collected at the time of registration (fall and spring semesters only) for each enrolled student for purposes of providing student governmental affairs representatives the means to express their positions and viewpoints before city, county, district, state, and federal government as well as other public agencies. The $2 Student Representation Fee is used by the Compton College Associated Student Government and the Student Senate of California Community Colleges to advocate and lobby for legislative issues that affect and benefit community colleges and community college students both at the state and federal level. The fee is regulated by the California Education Code 76060.5.

All students may opt out of this fee at the time of registration or by notifying the Office of Student Development at studentdevelopment@compton.edu.

Return of Title IV Funds (R2T4) and Unofficial Withdrawal

If you withdraw from all classes or stop attending during a term, federal law may require Compton College to return a portion of your federal financial aid (Pell Grant, FSEOG, Direct Loans). The amount is based on how much of the term you completed (generally, before the 60% point).

- Official withdrawal: you drop all classes.
- Unofficial withdrawal: you receive all non-passing grades (e.g., W, F, NP) and there is no documented last date of attendance; the college must determine your last academically related activity and may have to return funds.

Returning funds can create a balance owed to the college and may place a hold on future registration. If you are considering dropping or withdrawing, speak with Financial Aid first to understand the impact.

Questions? Visit the Financial Aid Office in SSB-170, call (310) 900-1600, ext. 2935, or send an email to financialaid@compton.edu.
