XIII. Information/Presentations
   A. Dr. Lawrence Cox, Provost/CEO:
      1) Campus Update
         i. Introduced and welcomed Barbara Perez, VP of Academic Affairs; and Mr. Juan Pazos, Foundation Board Executive Director.
         ii. Reported on earlier meeting with select faculty, administrators and staff regarding student learning and student services. More details will be provided in the near future.
         iii. Student enrollment is up, and Ms. Perez will address that.
         iv. The draft information from our last FCMAT review is positive. Governance, Facilities, and Human Resources may not need to be reviewed by FCMAT at their next visit. When the final formal report is received, it will be distributed.
         v. Thanks to ASB for selecting Mr. Owens to serve as the student trustee.
         vi. We are in the process of selecting a new Bond CC Oversight Committee. Applications are available for distribution on our website and in the CEO’s Office.
      2) Ron Gerhard, CBO – Budget Update. Mr. Gerhard distributed and reviewed copies of the Budget Update. We are currently in the second year of a three-year restoration window; meaning that we have that amount of time to return to our previous enrollment numbers of 6,401 FTES that were achieved in 2003/04. Our target goal this year is 5,600 FTES.
      3) Martin Ludlow, Consultant – BRS (Belden, Russonello & Stewart) 2009 Survey. State legislation ACR69, said this school needed to change their way of doing community outreach. In addition, FCMAT required that we expand and meet certain criteria to show that this school is reaching out in meaningful ways to the community. The school must: (1) respond to the needs of the community; (2) be accountable to the community; and (3) get direct input from the community. Don Attore, of Hein, Cherry & Attore (partner of BRS, who conducted the survey) will describe the student polling and the internal process of looking at how your customers view the work we are doing.
         a. Don Attore - Research is all about positioning yourself for strategic change. This presentation is a snapshot of data collected from the survey. There were 400 students interviewed. The data presented will be available in about two weeks.
      4) Ann Garten, Community Relations Director – Presentation of award from the National Council for Marketing and Public Relations. Compton Center received the Medallion Award in the category of Successful Recruitment and Marketing Program, for our comprehensive marketing campaign.
5) Barbara Perez, VP Academic Affairs – Academic Affairs Update: Enrollment is up to 1723 students which is a 16.6% increase over last winter. More importantly, FTES has increased by 25.8%. Spring headcount is 2600, a 37% increase, which is 85% increase in FTES from this period last year.
   a. Keith Curry – Student Services Update: Student services is currently in the process of assisting students with registration. We have increased the hours that counselors are available to meet with students by 40% over last year. There are currently 5,176 financial aid applications on file. We have given out $2.9M in federal financial aid Pell Grants, and $3.4M in Board of Governor fee waivers. We are researching ways to make the financial aid application easier and quicker. Please come out and support our athletes.

6) Fred Sturner, Facilities Update – The Little Theatre is moving forward. We will be meeting with DSA next week regarding completion of the LRC. The Governor’s budget was able to fund four community college projects from the 2008 bond fund budget and two of those projects will be here – 1) Phase 2 of the Infrastructure, which is a 2010 project, meaning we can start phase 2 of the construction; and 2) the Allied Health Building reconstruction.

Trustee LeBlanc requested a breakdown of the percentage of minority and women-owned contractors that participated in the redevelopment or rehab of the campus.

7) Ron Gerhard – M & O Update – We currently have four roofleaks, with the largest in the Voch Tech building; two others are in G row, and two others are in the print shop and MIS.

XVI. Remarks by trustees

XVII. Adjourned at 8:30 p.m.

Next Scheduled Regular Meeting: February 16, 2010

Closed Session: 5:00 p.m.
Open Session: 6:00 p.m.
CEO 1 Consideration of Board Member Compensation Pursuant to Education Code Section 72024

The Board will discuss the pros and cons of approving a monthly stipend for Board members beginning in February, 2010. If the Board decides to approve a stipend, it is recommended that the amount be set at $120 per month for elected Board members through June, 2010, and that the matter be reconsidered at that time. Furthermore, the Board should consider whether or not the student member of the Board should also receive a monthly stipend and, in any event, should adopt the following interim policy governing Board compensation pending a full policy review over the next several months:

Members of the Board who attend all board meetings shall receive $120 per month, and the student member shall receive [insert amount] per month. Except as otherwise provided in this policy, a member of the Board who does not attend all meetings held by the Board in any month shall only receive a pro rata portion of the full monthly amount based upon the number of meetings the Board member actually attended compared to the total number of Board meeting held during the month.

A member of the Board may receive compensation for a meeting when absent if the Board finds that, at the time of the meeting, the member was performing services outside the meeting for the district, was ill, on jury duty, or that the absence was due to a hardship deemed acceptable by the Board.
CEO 2  BOARD POLICIES
The following Board of Trustees Policies are being submitted for approval

BP 7240  Confidential Employees
BP 7250  Administrators
BP 7260  Classified Supervisors
BP 7270  Unclassified Employees
BP 7240  Confidential Employees  Issued:  February 16, 2010

Reference:
Government Code Section 3540.1(c)

Confidential employees are those who are required to develop or represent management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions. The fact that an employee has access to confidential or sensitive information shall not in and of itself make the employee a confidential employee.

A determination whether a position is a confidential one shall be made by the Board in accordance with applicable law and with the regulations of the California Public Employment Relations Board.

Confidential employees are not eligible for inclusion in a bargaining unit represented by an exclusive representative and the terms and conditions of their employment are not controlled by any collective bargaining agreement.
An administrator is a person employed by the Board in a management position as defined in Government Code Sections 3540, et seq. Academic administrator positions are those designated by the board who exercise direct responsibility for supervising the operation of or formulating policy regarding the instructional or student services programs of the District. Senior Classified Administrative Positions designated by the Board are also administrators. A specific listing of all board designated administrator positions is found in AR 3101 Management Organization Chart.

- Academic administrator retreat rights shall be as specified in Administrative Regulation AR 7121 Administrative Recruitment and Selection.

Both academic and classified administrators shall be compensated in the manner provided for by the appointment or contract of employment. Compensation shall be based on salary schedules set by the Board upon recommendation by the CEO. Administrators shall further be entitled to health and welfare benefits made available by action of the Board upon recommendation by the CEO. Administrators shall be entitled to vacation leave, sick leave, and other leaves as provided by law, these policies, and administrative regulations promulgated by the CEO. Every administrator shall be employed by an appointment or contract of up to four years in duration.

The Board may, with the consent of the administrator concerned, terminate, effective on the next succeeding first day of July, the terms of employment and any contract of employment with the administrator, and reemploy the administrator on any terms and conditions as may be mutually agreed upon by the Board and the administrator, for a new term to commence on the effective date of the termination of the existing term of employment.

If the Board determines that the administrator is not to be reemployed when his or her appointment or contract expires, notice to an administrator shall be in accordance with the terms of the existing contract. If the contract is silent, notice shall be in accordance with Education Code Section 72411.
BP 7260        Classified Supervisors        Issued:  February 16, 2010
