El Camino College Compton Center Welcomes New Director of Admissions and Records

Gerald Sequeira, J.D. is being welcomed this week to El Camino Compton Center as the new director of Admissions and Records. He received his law degree from the University of Southern California at Los Angeles (UCLA) in 2002 and his Bachelor of Science degree in civil engineering from UCLA in 1999.

Prior to joining the Compton Center, Sequeira served as director of admissions and financial aid at the William S. Boyd School of Law at the University of Nevada at Las Vegas (UNLV). He has experience as a field attorney at the National Labor Relations Board in Las Vegas and at the UCLA School of Law as a law undergraduate mentor and a research assistant.

Sequeira is enthusiastic about working with the students at Compton Center. "I am excited to be at a place where everyone can have the opportunity to attend, and we prepare students for careers and the workplace," said Sequeira.

When visiting the campus, Sequeira was struck by the friendly atmosphere at Compton Center and how he was greeted by everyone as he walked through the campus. "I am looking forward to meeting and getting to know the staff in the department of Admissions and Records, working as a team and accomplishing our goals together."

Sequeira is a native Californian and is happy to be back in our community. As an engineering student, he had an internship with the County of Los Angeles and the office was located in the City of Compton.

Dr. Larry Cox, Compton Center Provost, says: "I am extremely pleased to welcome Gerald Sequeira into our Compton Center family. His background, experience and positive demeanor will be a great asset to our students and our colleagues."

El Camino College Compton Center is open, accredited and ready to serve all! Students are able to earn an associate degree, transfer to a four-year university or receive career training. Fees are only \$20 per unit. The college catalog, class schedule and weekend college offerings are available in-person or on-line at www.compton.edu.
