State Chancellor Visits El Camino College Compton Center

El Camino College Compton Center recently welcomed Dr. Diane Woodruff, Chancellor of the California Community Colleges, to the campus.

The visit was part of a program sponsored by the Chancellor's office whereby Dr. Woodruff travels to campuses throughout the state.

Accompanied by Provost Doris Givens, El Camino College President Tom Fallo, Compton Community College District Special Trustee, Peter Landsberger, Dr. Woodruff had an opportunity to hear about many of the outstanding programs Compton Center has to offer. The visit included a campus tour and meetings with students, community members, Compton Community College District trustee, Willie O. Jones; and recently elected trustee, Andres Ramos; administrators, faculty and the academic senate.

Comments from community members included a resident who expressed being pleased the Center is open and good progress being made. Another meeting attendee noted the improved outreach to area high schools and a focus for increasing transfer rates to four-year colleges and universities. An area resident mentioned receiving direct mail information about the college.
