El Camino College Compton Center Principals' Luncheon

El Camino College Compton Center will welcome principals and counselors from area high schools to participate in a special luncheon on campus April 17.

The event is designed to keep area school administrators updated on the many educational opportunities and services available at Compton Center. Participants will learn about Compton Center's instructional curriculum, faculty, financial aid, athletics, and a variety of student support programs. Compton Center's new Learning Resource Center and state-of-the-art Child Development Center will also be featured, as a preview before its opening later this spring.

A similar breakfast event is scheduled on April 20 for area clergy, as a way to showcase the educational and service offerings at Compton Center.
