Compton Community College District New Board of Trustee Members Elected

On November 3, 2009, three new trustees were elected from a total of nine candidates to serve on the Compton Community College District Board of Trustees. With the election of Charles Davis, Trustee Area 1; John P. Hamilton, Trustee Area 2; and Deborah Sims LeBlanc, Trustee Area 4, the District has all five board seats filled.

Compton Community College District Board of Trustees members are responsible for attending all Board meetings and key Compton Center events, in addition to advising on policy issues, and participating in trustee education programs. The board serves the Compton Community College District as an advisory panel.

“We are pleased to welcome these new members to the Board of Trustees,” said Peter Landsberger, special trustee for the Compton Community College District. “The number of eligible candidates who ran for trustee positions in this election validates El Camino College Compton Center’s importance to the community and illustrates people’s strong desire to serve the institution’s best interests.”

Since fall 2006, El Camino College has provided educational and necessary support services to residents of the Compton Community College District per an agreement between the two districts. Through this agreement, administration at El Camino College Compton Center is led by Superintendent/President of El Camino College Thomas M. Fallo. Provost/CEO Lawrence M. Cox oversees daily operations at Compton Center, along with state-appointed Special Trustee Landsberger.

The primary intent of the El Camino Community College District/Compton Community College District agreement is to assist with recovery and full accreditation.

Current Board members include: Andres Ramos, Trustee Area 3; Lorraine Cervantes, Trustee Area 1 (which has two seats); and Bruce Boyden, Trustee Area 1, who was appointed in August to fill a vacated seat and will serve until December.
