El Camino College Compton Center Presents the Class of 2009

El Camino College Compton Center celebrated commencement on June 11, 2009 in the campus quadrangle area. Approximately 180 students met the requirements to participate, and were awarded associate degrees and certificates. Many will be transferring to a four-year college or university. The graduates celebrated this milestone with their families, friends and community members looking on.

Compton Center was extremely honored to hear the motivational message of our commencement speaker, Cruz Reynoso, whose accomplishments are an inspiration to us all. He served as associate justice of the California Supreme Court from 1982-87, and was the first Latino to hold that position. He has dedicated his life to public service as a champion for civil rights, immigration policy government reform and legal services for the poor.

The following list includes all those being recognized at commencement and their communities.
