El Camino College Compton Center Presents Class of 2010

El Camino College Compton Center celebrated commencement on June 10, 2010 in the campus quadrangle area. Approximately 242 students met the requirements to participate, and were awarded associate degrees and certificates. Many will be transferring to a four-year college or university. The graduates celebrated this milestone with their families, friends and community members in attendance.

ECC Compton Center was extremely honored to hear the motivational message of our commencement speaker, Dolores Huerta, whose life's work is an inspiration to us all. She is the co-founder, along with Cesar Chavez, of the United Farm Workers Union (UFW), and president of the Dolores Huerta Foundation. As a renowned labor leader and human rights advocate, Huerta obtained many firsts in union contracts for farm workers as the key negotiator for the UFW. Today, she continues to help develop leaders who advocate for the working class, as well as for women and children.
