El Camino College Compton Center Hosts Employment and Career Resource Expo

El Camino College Compton Center will host its annual Employment/Career Resource Expo on Wednesday, March 30, from 9:00 a.m. to 12:00 p.m. Representatives from various industries will be on hand in the Student Lounge to present full-time and part-time opportunities. Students, alumni, and the community are invited to attend this free event to receive career information by talking to employers about opportunities in a variety of fields from customer service to law enforcement.

The Employment and Career Resource Expo is a great way for exhibitors to showcase their company, distribute literature, meet face-to-face with prospective employees, and collect resumes. This is also a time when students and community members can explore majors, career choices, employment and internship opportunities; network with professionals; and learn about the different departments, programs, and services at ECC Compton Center.

Partners for this event include: ECC Compton Center Career and Technical Education (CTE), CalWorks, Los Angeles County Office of Education (LACOE) and the Employment Development Department Los Angeles South/Compton.

All attendees are encouraged to dress professionally, bring copies of a current resume, as well as pen and paper for jotting down notes, contact information and other details. For more information about the event, please contact Joseph Lewis, M.S., Employment Development Specialist, at (310) 900-1600, Ext. 2788 or Rodney Murray, Dean of Career and Technical Education, at Ext. 2273.
