Compton Community College District Publishes Citizens’ Bond Oversight Committee Annual Report

The Compton Community College District’s (CCCD) Citizen’s Bond Oversight Committee’s 2012-2013 Annual Report was presented at the July CCCD Board meeting.

The CCCD Citizen’s Bond Oversight Committee 2012-2013 Annual Report is available on the Web at: http://www.district.compton.edu/measure_cc_bond/docs/CCCD_CBOC_2012-13_AnnualReport.pdf

As outlined in the Education Code Section 15278, the role of the Citizens’ Bond Oversight Committee is to “inform the public concerning the District’s expenditure of revenues received from the sale of bonds authorized by the voters.” The committee comprises a cross section of the citizenry who have volunteered their time to represent various constituencies, and fulfill the committee’s responsibilities.

As outlined in its bylaws, the committee has met on a regular basis; reviewing expenditures, touring campus renovations, and asking questions. The 2012-2013 Annual Report documents the results of these activities and serves to fulfill the basic tenets of the Citizens’ Bond Oversight Committee’s charter.

Within this report is the independent audit for the fiscal year ending June 30, 2013, performed by the firm of Vicenti, Lloyd & Stutzman LLP. The committee examined and reviewed this audit, the results of which are contained in the Annual Report.

The following is a summary of Bond Expenditures for the Fiscal Year ending June 30, 2013:

Campus Site Improvements	\$569,057
Energy Efficiency Improvements	\$13,627
Health & Safety Improvements	\$158,377
Information Technology & Equipment	\$695,300
Learning Resource Center	\$273,210
Physical Education Facilities Improvements	<u>\$28,843</u>
Total Expenditures	\$1,733,414

- more -

The CCCD grounds are improving and changing, thanks to funds from the 2002 Measure CC general obligation bond and State Capital Outlay funds. New construction incorporates energy conservation measures and modern technology and equipment. The following is a list of projects either in progress or completed during this annual report period, and in subsequent months:

- Library-Student Success Center: the \$25,000 million, 45,000-square-foot center was completed and opened for student use in March 2014.
- Central Plant: supplies cooling for most buildings, while reducing energy costs by \$220,000 annually. Completed: December 2013
- Main north/south access road: a majority of the parking lost were repaved and upgraded, along with the main roads through campus. Completed: December 2013
- Allied Health Building: construction on a new \$12 million, state-of-the-art Allied Health Building began in June 2014.

The Citizens' Bond Oversight Committee 2012-2013 Annual Report, as well as information about the role of the committee and meeting agendas may be viewed on the CCCD website at www.district.compton.edu/measure_cc_bond/index.asp.

About the Compton Community College District

Board meetings are usually held the third Tuesday of each month and are open to the public. The District is located at 1111 E. Artesia Boulevard, Compton, CA 90221.
