Compton Community College District Publishes Citizens’ Bond Oversight Committee Annual Report

The Compton Community College District’s (CCCD) Citizen’s Bond Oversight Committee’s 2013-2014 Annual Report was presented at the July CCCD Board meeting.

The Annual Report is available on the Web at:

http://www.district.compton.edu/measure_cc_bond/docs/COMPTON-CBOC-2013-14-Annual-Report.pdf

As outlined in the Education Code Section 15278, the role of the Citizens’ Bond Oversight Committee is to “inform the public concerning the District’s expenditure of revenues received from the sale of bonds authorized by the voters.” The committee comprises a cross section of the citizens who have volunteered their time to represent various constituencies, and fulfill the committee’s responsibilities.

As outlined in its bylaws, the committee has met on a regular basis to review expenditures, tour campus renovations, and ask questions. The 2013-2014 Annual Report documents the results of these activities and serves to fulfill the basic tenets of the Citizens’ Bond Oversight Committee’s charter.

Within this report is the independent audit for the fiscal year ending June 30, 2014, performed by the firm of Vicenti, Lloyd & Stutzman LLP. The committee examined and reviewed this audit, the results of which are contained in the Annual Report.

The following is a summary of Bond Expenditures for the Fiscal Year ending June 30, 2014:

Campus Site Improvements	\$64,890
Energy Efficiency Improvements	\$3,930,535
Health & Safety Improvements	\$359,466
Information Technology & Equipment	\$13,250
Library-Student Success Center	\$4,439,766
Physical Education Facilities Improvements	<u>\$94,703</u>
Total Expenditures	\$8,902,610

CCCD Publishes CBOC 2013-14 Annual Report 2-2-2-2

The CCCD grounds are improving and changing, thanks to funds from the 2002 Measure CC general obligation bond and State Capital Outlay funds. The Annual Report includes a list of construction and renovation projects either in progress or completed during 2013-2014. New construction incorporates energy conservation measures and modern technology and equipment.

The Citizens' Bond Oversight Committee 2013-2014 Annual Report, as well as information about the role of the committee and meeting agendas may be viewed on the CCCD website at www.district.compton.edu/measure_cc_bond/index.asp.
