## **Spend the Summer at Compton College; Apply and Register Now for Summer Sessions Beginning June 18**

Grab a seat for summer at Compton College where you can complete your educational goals in an affordable, convenient location with a family atmosphere and small class size offering more personalized attention. Whether you are a high school senior getting ready to graduate, a returning student working toward a degree or transfer goals, an adult learner seeking job training; or a UC/CSU student looking to complete a class requirement—Compton College has a summer schedule of classes to fit your needs.

Compton College is offering six-week and eight-week summer sessions that both begin on June 18, and a second six-week session that begins on July 2. The June and July summer sessions provide a perfect opportunity for recent high school graduates to jump-start their college education.

There are so many benefits to taking classes during the shorter summer sessions: graduate faster, complete a class requirement, get personalized attention with smaller class size, reduce your fall and spring class schedule, and keep your mind fresh!

The summer sessions also provide an opportunity for University of California (UC) and California State University (CSU) students to complete a course close to home in just a few short weeks and at an affordable price.

Online registration is currently in progress for all students. For new students, it takes [four easy steps](#) to apply online and enroll at Compton College. Apply and register online, 24 hours per day at [www.compton.edu](http://www.compton.edu). Fees are only \$46 per unit.

The 2018 summer class schedule in both PDF and searchable formats is available online at: <http://www.compton.edu/studentservices/admissionandrecords/ClassSchedule.aspx>

The searchable class schedule gives students the opportunity to search for specific classes that begin June 18 or later. For more information, go to [www.compton.edu](http://www.compton.edu) or call 310-900-1600.
