For Immediate Release

November 28, 2018

Register Now for Compton College Winter Session; Earn up to 7 Units in Five Weeks
Winter 2019 Term Dates: January 3 - February 5, 2019

Compton College student Horacio Iturriaga is taking advantage of the five-week winter term being offered in January 2019 to reach his university transfer goals and timeline. “I need to take two physics classes for my transfer requirements; I will take one during the winter term and one in spring to stay on track with my educational plan,” said Iturriaga, a mechanical engineering major from Compton who is applying to four-year universities in the CSU system and plans to transfer in fall 2019. He would like to pursue a career in automobile design.

Winter term provides a great opportunity for students to get ahead in their educational plan and complete up to seven units in five weeks! The winter term is perfect for helping students graduate sooner, improve a GPA, repeat an essential course, and lighten the course load for spring, as well as satisfy any prerequisites.

Registration for the winter 2019 session is currently in progress. All students are encouraged to register early for the best class selection. Students may register online at www.compton.edu by clicking on *MyECC*. Although campus will be closed for winter recess December 24, 2018 through January 1, 2019, online registration is available 24 hours a day, seven days a week.

The schedule of classes, in both digital and searchable formats, is available on the Web at <http://www.compton.edu/studentservices/admissionandrecords/ClassSchedule.aspx>.

A variety of transferrable and general education courses are being offered during both daytime and evening hours. Classes are available in anatomy, biology, chemistry, cosmetology, child development, ESL, history, machine tool technology, nursing, psychology, political science, and more. Basic skills courses will also be available including math, English, and educational development.

Winter 2019 classes begin January 3 and end on February 5. Apply and register online, 24 hours per day via the Compton College website www.compton.edu. Fees are only \$46 per unit. For more information, please call 310-900-1600 or visit the website.
