

Taking College Teaching Seriously : Pedagogy Matters!

Mellow, Gail O'Connor.

LB2331 .M4425 2015

College faculty, both adjunct and full-time, stand with their students at the coalface of learning, wishing for more to succeed and disappointed at how illusory academic success is for so many. Among the array of investments colleges are making to improve student outcomes, from predictive data analysis to enhanced advising, too little attention is paid to supporting faculty. Yet the impact of teacher and teaching on student learning is incontrovertible. Taking College Teaching Seriously: Pedagogy Matters! stands against the tide -- celebrating the incredible work faculty members do each day and challenging them to expand their capacity to present their content expertise effectively

Throwing Rocks at the Google Bus : How Growth Became the Enemy of Prosperity

Rushkoff, Douglas

HC79.I55 R87 2016

"Why doesn't the explosive growth of companies like Facebook and Uber deliver more prosperity for everyone? What is the systemic problem that sets the rich against the poor and the technologists against everybody else? When protesters shattered the windows of a bus carrying Google employees to work, their anger may have been justifiable, but it was misdirected. The true conflict of our age isn't between the unemployed and the digital elite, or even the 99 percent and the 1 percent. Rather, a tornado of technological improvements has spun our economic program out of control, and humanity as a whole--the protesters and the Google employees as well as the shareholders and the executives--are all trapped by the consequences. "--Provided by publisher.

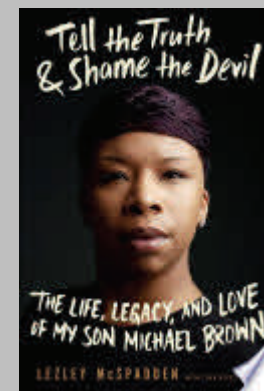

Tell the Truth & Shame the Devil : The Life, Legacy, and Love of My Son Michael Brown

McSpadden, Lezley

HV8148.F47 M395 2016

"When Michael Orlandus Darrion Brown was born, he was adored and doted on by his aunts, uncles, grandparents, his father, and most of all by his sixteen-year-old mother, who nicknamed him Mike Mike. Lezley McSpadden never imagined that her son's name would inspire the resounding chants of protesters in Ferguson, Missouri. In **Tell the truth & shame the devil**, McSpadden picks up the pieces of the tragedy that shook her life and the country to its core, and reveals the unforgettable story of her life, her son, and their **truth**."--Jacket.
