English and Math Placement Test Preparation Information

What are the English and Math Placement Test?

Placement into English, Math, and ESL courses is determined by the Assessment Test. Assessment data is used to assist counselors in advising students for courses.

How can I study for the Placement Tests?

1. Visit the ECC Compton Center website: www.compton.edu
2. Click on the Apply and Register Today! link
3. Click on the Assessment and Testing Center tab
4. Scroll to the bottom to review preparations materials

+Note: All sites are FREE and require to create an account

Test Information

Tests are not timed, but the length of the entire test is approximately two hours. Although the tests are taken on a computer, no special knowledge of computers is necessary. Results are available immediately.

English Placement Test:

Consists of two sections: reading comprehension and sentence skills (writing).

Math Placement Test:

Consists of three sections: arithmetic, elementary algebra, and college-level math.

Ability To Benefit Test (ATB):

Consist of three sections: reading comprehension, sentence skills (writing) and arithmetic. Administered by appointment only. Federal restrictions limit the number and time students may take to retest. *The Financial Aid office must determine if a student is eligible for the ATB test.*

Cell Phones and Electronics

The use of cellphones and electronic media, including media-players, is not permitted in any of the testing rooms. All cellphones and electronic media must be turned off while testing. Students violating this rule may be asked to leave and their tests cancelled.
