COM Admissions Office Use

Concurrent Enrollment Expectations and Responsibilities

Student, Parent or Guardian and principal or designee, by signing this Concurrent Enrollment Application you acknowledge that you have read and understand the following:

1. Before deciding to concurrently enroll at the Compton Center (COM), students should review course offerings in the schedule of classes and current COM Catalog noting dates, prerequisites, locations and times of class(es). Courses with a credit/no-credit grade option only, such as English A, B, R and 2R, may not be used for high school credit.
2. **Applying for concurrent enrollment does not guarantee a seat in a class!**
3. Enrollment fees are waived for California residents. Non-residents, out-of-country and out-of-state students will pay the appropriate tuition. Please consult a current class schedule for tuition requirements.
4. **PROCESS TO ENROLL and REGISTER** – Complete the Application for Admission and this Concurrent Enrollment Application and submit both forms to the Compton Center Admissions and Records Office. Applications may be submitted online but the Concurrent Enrollment Application must still be submitted to the Admissions Office. Apply early, the applications for the winter and spring are accepted beginning Sept. 1 and the applications for the summer and fall are accepted beginning March 1. **It is the student's responsibility to register for classes in person in the Admissions and Records Office.**
5. It is the student's responsibility to take care of any prerequisites and/or arrange for assessment and testing if necessary.
6. Review the Registration Information section of the current class schedule to find out how and when to register for classes.
7. Students will register **only** for the approved class(es). Registering for non-approved classes will result in loss of concurrent enrollment privileges, and forfeiture of most petitioning rights.
8. Enrollment is limited to 2 classes. Written permission from your school principal is required along with approval from El Camino College's Director of Admissions to enroll in more than two classes. Student must submit a copy of their high school transcript.
9. Students not attending the first day may be dropped from the class.
10. Students must conduct themselves in a responsible and appropriate manner for a college environment (ECC Board Policy 5138).
11. All students are subject to the student code of conduct. It is the responsibility of the student to read and understand the student code of conduct and all relevant policies and procedures.
12. Students are protected by the Family Education Rights and Privacy Act (FERPA). Neither the parent, family member, nor a representative from the student's school may inquire about the student or obtain information on the student's academic performance, enrollment, or attendance without the expressed written consent of the student regardless of the student's age.
13. Ensure that the student meets all academic deadlines outlined in the semester calendar located in the Schedule of Classes – add and drop deadlines, and deadlines for withdrawing from a class with a “W” on the transcript.
14. Students must request transcripts if the high school requires transcripts for allowing high school credit.
15. Students must apply for concurrent enrollment each semester. Concurrently enrolled students do not receive continuing student status.
16. **Student's grade(s) will become part of their permanent academic record.** Classes are taught at the college level – ensure that your maturity level and academic preparation is appropriate to the level of the class.
17. Ensure that the student has access to a parent, adult (i.e. cell phone) in case of emergency, class cancellation, campus evacuation, black-out or any non-planned event.
18. Students enrolled in Home Study Programs must provide proof that the Home Study Program is registered with the State of California.
19. Health Center fees are not charged and therefore students are not eligible for Health Center services.
20. Students are required to purchase textbooks and/or other materials required in the course syllabus or outline. Parking permits are also required if students intend to park on campus.
21. Content in some classes may not be suitable for minors. The Compton Center reserves the right and has the responsibility to restrict concurrent enrollment if it is determined that the student does not have the ability to benefit from enrollment or for reasons of health and safety, appropriateness of the course, preparedness of the student, seat availability, registration priority, or college policy.
22. All documents submitted to El Camino College Compton Center become the property of El Camino College.
