**STEP 1 | Admission**

Who is eligible for Admission?

Anyone 18 years of age or older qualifies for admission to El Camino College Compton Center. If under the age of 18, you will qualify if you have 1) graduated from high school or 2) passed the California High School Certificate of Proficiency Test.

El Camino College Compton Center may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the provost, may benefit from instruction. Concurrently enrolled 11th and 12th grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or session.

**California Residence Requirement**

Can I apply as a California resident?

To attend El Camino College Compton Center as a resident of California, a student is required to have been a legal resident of the state, as defined in the California Education Code, for more than one year immediately preceding the residence determination date. The residence determination date is the day preceding the first day of the semester or session.

In addition you must meet the two-year intent provisions of California residency code, and must not have engaged in any actions that are contrary to establishing residency in the state of California.

How Do I Apply?

Apply online by visiting: www.compton.edu and clicking on **Apply Online** – it’s that easy! New and returning students (those with an absence of two consecutive semesters, excluding Summer and Winter Session) must complete an application. Don’t forget to submit official transcripts from all accredited colleges and trade schools attended. If you are applying for Advanced Placement credit, then you must submit your official high school transcripts.

**Step 2 | Assessment**

How Do I Make Arrangements For Testing?

Personal identification with a photograph and your El Camino College Compton Center I.D. number are required to take tests and receive results.

You must have an application on file prior to any testing. Testing should be completed as soon as possible after you file your admission application. Read the catalog description of classes which interest you to learn if there is any testing recommended or needed. Keep in mind that all placement tests are part of the multiple measures of the assessment process. Be sure to take testing results with you when you go for your academic advisement or educational planning sessions.

The placement tests for English, English as a Second Language, and Math are computerized and given on a drop-in basis—no appointment is necessary. Other tests, such as the Chemistry Placement Test, are given on an appointment-basis only. Please contact the Assessment Center for further information at 310-900-1600 ext. 2830.

All testing is done on campus at the Assessment Center. Testing must be completed before you register for courses. Re-testing is limited and may not be done after you have enrolled in any course related to the test.

**STEP 3 | Orientation**

Welcome to El Camino College Compton Center! All students are encouraged to participate in orientation and to become familiar with the center and its resources.

Sign-up for Winter & Spring 2010 student orientations in the Counseling Department, located in the Administration Building. Students learn about Compton Center services and programs through the orientation provided by the Counseling Department.

For more information about student orientations, please contact the Counseling Department at 310-900-1600 ext. 2076.

**STEP 4 | Counseling/ Advisement**

How can I get help selecting classes?

Counseling services are available to students through scheduled appointments. A student who has selected a major field of study is strongly encouraged to see one of the counselors assigned to that field; an undecided or undeclared student may see any counselor.

As an integral part of the matriculation program, counseling services are intended to assist students in clarifying career and life goals and in developing an appropriate course of study based on a student’s goals, aptitudes and interests.

Drop-in advisement is available Monday through Thursday from 8:00 a.m. to 6:30 p.m. and Fridays from 8:00 a.m. to 12:30 p.m. for students who have questions which do not require transcript review. The drop-in advisement schedule is subject to change, based on counselor availability. Please call the Counseling Department in advance for the daily schedule at 310-900-1600 ext. 2076.

**Attendance**

If you enroll in a class and you do not attend the first scheduled meeting of the class, you may be dropped from the roster and your place may be given to a waiting student.

**STEP 5 | Registration**

How do I prepare to register?

- Be sure you meet any prerequisites and corequisites.
- Meet with a counselor to ensure your schedule is in line with your educational goals.

Some students in certain programs such as CalWORKS, CARE, or EOP&S may also complete the fee waiver application in addition to the FAFSA form. Please see enclosed applications.

Health Services Fee

Students pay $17 each semester to cover the operation, supervision, programs and services of the Student Health Center.

Until further notice El Camino College Compton Center students will not be charged a health fee at enrollment. If a Compton Center student comes to the El Camino College cashier window and asks to use the El Camino College Health Center, he or she will be charged the $17 fee for the access to those services.

There are exceptions under these conditions:
1. Students receiving financial aid pursuant to Section 72252.1.
2. Low-income students who meet the Board of Governors grant criteria (pursuant to Section 72252) as demonstrated by appropriate support documentation of eligibility; SSI eligibility; or GA eligibility; Veterans Affairs Dependent Fee Waiver Certification; Agency Certification or Income Tax form as they relate to qualifying income levels; or a combination of these and unmet student need as determined by the Financial Aid Office.
3. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization.

Students will not be required to pay this fee if they are enrolled only in classes held off campus, only in distance education classes, only in noncredit classes or work site classes. High school students or students enrolled in contract classes only are also exempt. Students who qualify for a Health Services Fee refund may obtain the form in SSVC 200. All fee waiver requests must be submitted by the second week of the term.

Refund: Students who withdraw from all
courses prior to the close of the second week of the term will be eligible for a refund of the Health Services Fee. Forms to request a refund may be obtained at the Cashier’s Office.

Health services are provided for students 18 years of age or older who pay the mandatory health fee. High school students permitted to attend the college on a concurrent enrollment basis are not eligible for health services.

College students under 18 years of age subject to other admissions criteria must pay the health fee and submit a parental or guardian consent form to receive health services.

Children, including children of students, are not permitted in the Student Health Center.

Fee Payment

For any fee paid, Compton Center will accept personal checks drawn on United States banks, money orders or cash.

Also honored will be VISA, American Express, MasterCard and Discover credit cards. Checks returned by a student’s bank for any reason will result in (1) a deduction from the student’s account balance, (2) denial of subsequent registration and (3) detention of transcript until the financial obligation has been satisfied. A service charge of $20 will be charged on any returned check.

California Residency

To attend El Camino College Compton Center as a qualified California resident, you must have established legal residence in the state one year and one day prior to the start of the term. In addition, you must meet the two-year intent provisions of California residency code and must not have engaged in any actions that are contrary to establishing residency in the state of California. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student in accordance with Education Code Section 68040.

The residence of an unmarried student under the age of 19 is determined by the legal residence of the parents. A married minor determines residency from the date of marriage and must comply with all provisions of residency as cited above. A person may not derive residence from a spouse.

Priority Registration

In compliance with Section 51825 of Title 5, California Administrative Code, priority registration will be implemented in this way:

1. Special registration assistance to the handicapped or disadvantaged students as defined by statute for the purpose of providing equalization of education.
2. Students will receive priority registration according to this ranking system and criteria: Registration priority will be awarded as follows:
   A. First priority: continuing students
   B. Second priority: new and readmit students
   C. A reward of 15 points to students for maintaining their original unit load from the start of the semester through the 12th week.
   D. A reward of 10 points to students with 2.0 or higher cumulative GPA
   E. Day and evening programs are used to divide the student body into a day or extended day priority system. One or more day classes constitutes a day program.
3. The early enrollment of students who meet one of these guidelines:
   • Instruction program requires time off campus limiting the choice of class periods on campus.
   • The instructional activity requires a block of time associated with scheduled classes for such activities as practice, meetings, counseling and off-campus travel.
   • First semester F-1 visa students.

Adds and Drops

It is the student’s responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student may drop a class or classes within the refund period and add another class or classes using the fees already paid.

If a student drops after the refund deadline, payment of fees for the classes is forfeited. Any added class will require additional fees.

A student may drop a class before the refund deadline and add a class with no additional fees. If a student drops a class after the refund deadline in order to add the same class at a different time/date/instructor, the student must request a lateral transfer or level transfer from both instructors. All transfers are processed through the Admissions and Records Office.

Withdrawal from Class

It is the student’s responsibility to process an official withdrawal from class at the Admissions and Records Office. Failure to complete this process may result in a letter grade of A through F recorded on the student’s permanent record.

It is the high school student’s responsibility to submit all required documentation on time and complete by the published deadlines. Failure to do so will jeopardize the student’s enrollment for the semester/session.
Photo Identification and ASB Stickers

All students are required to obtain a free El Camino College Compton Center identification card. These cards are available in the Student Life Office Monday - Thursday 8 a.m. - 6:30 p.m., Friday 8 a.m. - 12:30 p.m.

These cards serve as photo identification, and are required for Library services, student activities, access to the Learning Resource Center and Open Computer Labs, and to verify attendance in classes.

All students are encouraged to purchase an optional ASB sticker for their photo identification cards during registration at the Bursar’s Office. The ASB sticker offers a variety of discounts at businesses, theaters, ASB sponsored events, and athletics events. El Camino College Compton Center students can also utilize ASB stickers at El Camino College, including access to Activities Center table games, free admission to all campus athletic events and a discount on tickets at district-sponsored Center for the Arts events. Funds generated from the cards help support student activities. The $10 sticker fee per semester is nonrefundable.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere at Compton Center. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the “Family Education Rights and Privacy Act” that students have certain rights of access to their education records. A copy of the Act is located in the Library. Please contact the Admissions Office for any information regarding your rights under the Act.

Equivalent Courses

www.elcamino.edu/admissions/catalog.asp

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in the Counseling Department or the Academic Affairs Office (C-32) located in the Administration Building.

Hand carried transcripts from the student or any other party will not be accepted.

Your first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

Cross Enrollment at CSU Dominguez Hills

El Camino College Compton Center students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition, in a maximum of one baccalaureate-level course per semester on a space-available basis. Such enrollment would be at the discretion of the appropriate authorities at Compton Center and CSU Dominguez Hills.

A student must meet the requirements of cross enrollment to be eligible.

Additional information on requirements and procedures may be obtained at the El Camino College Compton Center Admissions and Records Office or Counseling Department, located in the Administration Building.

El Camino College Compton Center faculty, staff and administrators are dedicated to maintaining an optimal learning environment and will not tolerate academic dishonesty. To uphold the academic integrity of the institution, all members of the academic community, faculty and students alike, must assume responsibility for providing an educational environment of the highest standards characterized by a spirit of academic honesty. • Obtaining copies of notes, exams or exam questions by any means other than distribution from the instructor. (This includes copying and removing exam questions from the classroom for any purpose);
• Using study aids such as calculators, tape recorders or notes that have been specifically prohibited by the instructor.

Responsibility of El Camino College Compton Center Students

It is the responsibility of each student to conduct him/herself in a manner which encourages learning and promotes honesty; and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

Consequences for Cheating or Plagiarism

Given alleged violation of the Standards of Conduct, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred. This action is based on information that the instructor had.

Distance Education

Distance Education courses are ideal for those who are looking for a convenient way to take courses. The course content, course credit, and cost per unit is the same as equivalent courses offered at Compton Center. Anyone who is eligible to take courses at Compton Center may enroll in Distance Education courses.

It is strongly recommended that students review the Distance Education Web site at: www.compton.edu/academics/distance-ed for additional information regarding requirements, procedures, and other program material. A short self-assessment is available on the Web site designed to help students determine if they are prepared to successfully take college-level courses online.

A student seeking further review of a placement recommendation may obtain appropriate forms through the Counseling Office. Students who earned a 'C' or better in a prerequisite course at another college are not required to take the English Placement Test. These students must present a grade slip or transcript at registration to verify that the prerequisite has been satisfied at another institution. SAT scores may be substituted for the English Placement Test scores. Students should see their counselors for further information.

Distance Education
www.Compton.edu/Academics/distance-ed

Distance Education courses are ideal for those who are looking for a convenient way to take courses. The course content, course credit, and cost per unit is the same as equivalent courses offered at Compton Center. Anyone who is eligible to take courses at Compton Center may enroll in Distance Education courses.

It is strongly recommended that students review the Distance Education Web site at: www.Compton.edu/Academics/distance-ed for additional information regarding requirements, procedures, and other program material. A short self-assessment is available on the Web site designed to help students determine if they are prepared to successfully take college-level courses online.
