ABOUT US

The Office of Student Life is the focal point for El Camino College Compton Center campus activities, social events, student government and services that are available to students. Assistance is provided to help students get involved in campus life through leadership and service opportunities, clubs and various organizations.

To round out a greater educational experience at Compton Center, students are encouraged to participate in all aspects of campus life. These experiences extend well beyond the college years. Many students who have been actively involved in Student Life have achieved successful careers and maintain life-long friendships.

STUDENT COUNCIL

The El Camino College Compton Center Student Council includes 11 officers elected each year by the Associated Student Body (ASB). Through weekly meetings, which are open to all students, the Student Council determines how fees will be used, coordinates campus activities, and represents student views on important campus issues.

Eligibility requirements to hold office include:
- Enrollment in 10 class hours per week
- A minimum 2.0 GPA
- Completion of fewer than 70 units
