Transfer Center
The Transfer Center offers a wide range of activities to assist students in transferring successfully to the four-year college or university of choice. Services offered include: advisement, visits by representatives from four-year colleges and universities, university tours, and workshops on major steps in the transfer process.

Career & Technical Education (CTE)
CTE prepares students for employment (Entry Pathway) or for future education (Skilled and Professional Pathways) in a career major or concentration. Our 15 CTE programs are occupationally specific and technical in nature. CTE students may earn vocational or occupational A.A. or A.S. degrees, as well as certificates.

First Year Experience (FYE)
The First Year Experience Learning Community Program is designed to help students be successful in their first year of college by providing a supportive, caring environment of educational guidance and career services. FYE students are focused on academics, career planning and study skills, with a goal of transferring to a four-year university.

Extended Opportunity Programs & Services (EOP&S)
EOP&S is designed to assist low-income and educationally disadvantaged students achieve their educational goals. Students receive support services in the areas of counseling, peer support, financial assistance, transferring and tutorial services.

Academics
ECC Compton Center is growing, adding more classes each semester. Students will get classes they need through our six academic divisions, each offering a full complement of transfer and degree courses, as well as career and technical education. Academic and career programs include nursing, business, teaching, fire and emergency technology, music, and more. Graduate with an associate degree, transfer to a four-year college or university, earn a certificate, or train for a career.

Tutoring
Need help with homework? Tutoring is available! The Learning Resource Center (LRC) Tutorial Program offers free drop-in tutoring covering more than 40 subjects. Other services include an open computer lab with Internet access, telecourses, math videotapes for overnight check-out, study skills seminars, computer-assisted instruction and independent study.

Work Study/Campus Jobs
Under the Federal Work Study program, students may earn $8.00 per hour, or more depending upon job assignment. Students work up to 20 hours per week while school is in session and up to 40 hours per week during break periods. Funding is based on financial need and available funds. Inquire about Student Worker opportunities at the Welcome Center.

Campus Life
All students are encouraged to participate in campus activities, social events, student government, an array of clubs to match varied interests, and other extra-curricular opportunities. The Office of Student Life is the focal point for these activities. The El Camino College Compton Center Student Council includes 11 officers elected each year by the Associated Student Body (ASB).

The El Camino Community College District is committed to providing equal opportunity in which no person is subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, physical or mental disability, or retaliation.
