California Residency

California State Assembly Bill 540 (AB 540) allows any student who meets all of the following requirements to be exempt from paying non-resident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. The student must have attended a high school (public or private) in California for three or more years or have attained credits equivalent to three or more years of high school coursework and a combination of three or more years at a California elementary or secondary school and for a California high school (public or private) or attained the equivalent (e.g., General Educational Development - GED or California High School Proficiency Exam) prior to the start of the term at El Camino College.

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at El Camino College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. In addition to the affidavit, the student must also provide an official high school transcript that clearly shows attendance in all semesters and the date of high school graduation. If the student attended more than one California high school, then official transcripts from all high schools must be provided. If the student graduated through equivalency as mentioned above, then proof must be provided. Attendance at an adult school does not qualify.

Student information obtained in this process is strictly confidential unless disclosure is required under law. Students who meet the criteria will be exempted from the payment of non-resident tuition but will not be classified as “California Residents.” Students will continue to be classified as “Nonresidents.” Students who are in the United States under a student or visitor visa are not eligible.

Registration Procedure

Each student is required to have a registration appointment before being permitted to register. Registration appointments are issued by the Admissions and Records Office and indicate the day and hour after which students may register. Students who complete the admission requirements may check their appointment time on MyECC.

Students must enroll on the date and time indicated or any time thereafter in accordance with the published registration schedule.

Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and corequisites and for other reasons outlined in El Camino College Administrative Procedure 5055.

Schedule of Classes

Before the registration period for each semester or session, the college publishes a Schedule of Classes listing the courses offered and general registration procedures. Schedules are available online at www.compton.edu/student-services/admissionandrecords/ClassSchedule.aspx and may also be obtained at the Bookstore for a nominal fee. A searchable class schedule showing open and available classes is also available online.

Priority Registration

In compliance with Section 58108 of Title 5, California Administrative Code, priority registration will be implemented as follows:

Registration Time Allowance

A. All students may register on or after their scheduled registration appointment time, but not before.

B. All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District’s policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc.), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or corequisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB 540, missing data, etc.) not resolved by the student in the manner and timeframe prescribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration, please see Board Policy 5055 and Administrative Procedure 5055.
Registration Priorities

During registration periods, the following registration priority shall be followed:

Priority Level 1:
Eligible students in veterans, foster youth, DSPS/SRC, EOPS, and CalWORKs groups

Priority Level 2:
Eligible students in Title 5 sanctioned groups (none at this time)

Priority Level 3:
Eligible students in District-designated groups

Priority Level 4:
Eligible in-District new students

Priority Level 5:
Eligible continuing students

Priority Level 6:
Eligible non-District new or returning students

Priority Level 7:
Other new or returning students

Priority Level 8:
K-12 concurrently enrolled students

Priority Level 9:
Continuing students on probation for two consecutive terms and/or continuing students with 100 or more earned units

Priority Level 10:
Reinstated dismissed students

Students within a continuing student priority level will be prioritized by units earned at or through El Camino College and/or El Camino College Compton Center. The more units earned the higher priority up to an earned unit limit of 100. Continuing students with the same earned unit value will be prioritized randomly.

Students within a new/returning student priority level will be prioritized by the submission date of their application for admissions. New/returning students who applied on the same day will be prioritized randomly.

Eligible new students in Priority Levels 1, 2, 3, 4, and 6 must have completed orientation, assessment, and developed an educational plan. Students should contact Veteran Services, Foster Youth, DSPS, EOPS, or one of the District-designated groups to receive information on qualifications for those programs and eligibility for priority registration.

Continuous Enrollment for Priority Registration

Continuous enrollment at El Camino College and ECC Compton Center constitutes enrollment in the most recent previous semester per academic year, excluding summer sessions. A student must remain enrolled in at least one course for sufficient time to receive a grade of "W" or a letter grade.

For the complete El Camino College Administrative Procedure 5055, Registration Priorities, please go to www.elcamino.edu/administration/board/boarddocs/5055%20Enrollment%20Priorities.pdf.

Adds and Drops

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student who fails to properly register or add a class will NOT receive credit for that class. Adding after the deadline is prohibited.

If a student drops after the refund deadline, fees for the classes are forfeited. Any class subsequently added will require additional fees.

If a student drops a class after the refund deadline in order to add the same class at a different time/date/instructor, the student must request a lateral transfer or level transfer from both instructors. All transfers are processed through the Admissions Office.

Unit Limitations

The student's program of studies will vary according to individual need and objectives. There is no minimum but the maximum program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study summer session is 10 units if at least one unit is in physical education. The minimum full-time student program is 12 units per semester.

A student wishing to take more than the maximum units may file a petition through the Counseling Services Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade point average and an overall grade point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students would limit their study program to seven units or less each semester.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or authorized guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere at El Camino College Compton Center. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the “Family Education Rights and Privacy Act” (FERPA) that students have certain rights of access to their education records. A copy of the Act is located in the Library. Please contact the Admissions Office for any information regarding your rights under the Act.

High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. District policy restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and purchasing a college catalog from the Bookstore. The schedule and the catalog are available for free online.

Eleventh and 12th grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or the...
start of a session in summer. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system. As per FERPA (Family Educational Rights and Privacy Act) any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

Equivalent Courses
www.elcamino.edu/admissions/catalog.asp

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in the Counseling Department or the Academic Affairs Office (C-32).

Transcripts

Students who plan to attend under veterans or Social Security benefits; receive academic advisement to become matriculated; or need to have coursework at other colleges reviewed for prerequisite clearance, must request college transcripts from all schools attended be sent to the El Camino College Records Office.

Students who plan to graduate from El Camino College with a degree or certificate and wish to have coursework taken at other colleges considered for graduation, must request official transcripts to be mailed from the other colleges to El Camino College Compton Center. Hand-carried transcripts from the student or any other party will not be accepted.

Ordering transcripts is easy. Go online 24/7 to www.compton.edu/studentservices/admissionandrecords/transcripts.aspx and follow the instructions. The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

Cross Enrollment at CSU Dominguez Hills

El Camino College Compton Center students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition, in a maximum of one baccalaureate-level course per semester on a space-available basis. Such enrollment would be at the discretion of the appropriate authorities at ECC Compton Center and CSU Dominguez Hills.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the ECC Compton Center Admissions and Records Office or Counseling Department, located in the Administration Building.

Academic Dishonesty

Academic Dishonesty violates El Camino College’s Administrative Procedure 5500 Standards of Student Conduct. El Camino College is dedicated to maintaining an optimal learning environment and insists upon academic honesty. To uphold the academic integrity of the institution, all members of the academic community, faculty, staff and students alike, must assume responsibility for providing an educational environment of the highest standards characterized by a spirit of academic honesty.

Examples of academic dishonesty include but are not limited to:

- Representing the words, ideas, or work of another as one’s own in any academic exercise including the use of commercial term paper companies or online sources for essays, term papers, or research papers, whether free or paid.
- Copying from another student or former student or allowing another student to copy from one’s work.

- Any other action that is not an honest reflection of a student’s own academic work.
- Other forms of dishonesty, including, but not limited to, forgery or attempted forgery of any academic record; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the District.
- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner that encourages learning and promotes honesty; and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any kind of academic activity.

Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520.

Distance Education

www.compton.edu/academics/distance-ed

The following courses are Distance Education (DE) courses. A DE course may be online or hybrid. Online courses meet completely online (via the Internet using Etudes) and require you to complete an online course orientation, email the instructor before class starts or attend an on-campus course orientation. Hybrid courses have regular on-campus class meetings and a mandatory on-campus orientation. Specific class meeting and/or orientation requirements for each DE course are listed below and in the DE Class Schedule and Meeting Information on the DE Web page. Do not miss the orientation or you may be dropped from the class.

If you enroll in a DE course, you must be proficient in computer, online communications and time management. A satisfactory score on the DE Readiness Assessment in the DE Web page, previous satisfactory completion of an online course, or completion or concurrent enrollment in Academic Strategies 60 is highly recommended. You must have at a minimum: computer with Internet connection, Windows XP or Mac OSX, Internet Explorer 8 or Firefox 9, Adobe Reader 8 and El Camino College email. Additional software and plug-ins may be required by the instructor (such as Word, Flash). You may also use computer labs on campus to work on DE courses.

**Distance Education**

(310-900-1600 ext 2137)

The following courses are Distance Education (DE) courses. A DE course may be online or hybrid. Online courses meet completely online (via the Internet using Etudes) and require you to complete an online course orientation, email the instructor before class starts or attend an on-campus course orientation. Hybrid courses have regular on-campus class meetings and a mandatory on-campus orientation. Specific class meeting and/or orientation requirements for each DE course are listed below and in the DE Class Schedule and Meeting Information on the DE Web page. Do not miss the orientation or you may be dropped from the class.

If you enroll in a DE course, you must be proficient in computer, online communications and time management. A satisfactory score on the DE Readiness Assessment in the DE Web page, previous satisfactory completion of an online course, or completion or concurrent enrollment in Academic Strategies 60 is highly recommended. You must have at a minimum: computer with Internet connection, Windows XP or Mac OSX, Internet Explorer 8 or Firefox 9, Adobe Reader 8 and El Camino College email. Additional software and plug-ins may be required by the instructor (such as Word, Flash). You may also use computer labs on campus to work on DE courses.

  - Under specific circumstances, a student passing Math 37 may enroll in Math 40.

### Accelerated Sequence

Math 37: Basic Accelerated Mathematics (BAM)
- 5 units, 4.5 hrs lecture, 3.5 hrs lab
- Students who pass Math 23, Math 37, or Math 40 may enroll in Math 67. Math 60 is NOT required for Math 67.

Math 40: Elementary Algebra

Math 33 & Math 43: Extended Elementary Algebra (Parts I and II)
- 2 semesters, 3 units, 4 hrs lecture each (available at the Compton Center)

### Transfer-Level Mathematics

Math 80 serves as a prerequisite for all transfer-level mathematics courses. Students of science, computer science, engineering, mathematics, and business should take Math 80.

Math 67 or Math 73 may be used as the prerequisite for Math 110, 111, 115, 120, 140 and 150. Science, computer science, engineering, mathematics, and business should not take Math 67 or Math 73.

Math 67 is not appropriate for nursing students planning to take Chem 1A.

Math 80 and Math 73 satisfy the associate degree mathematics requirement. Students passing Math 67 need to take a transfer-equivalent mathematics course in order to satisfy the associate degree mathematics requirement.
