

Spring 2024 Scholarship Workshops

The Compton College Scholarship program is committed to supporting student success and access by recognizing and rewarding student achievement. A scholarship is a gift - college funds that do not have to be repaid. Many Compton College scholarships are made available through the generosity of private donors who have helped promote the college's continuing commitment to academic excellence.

The 2024-2025 Scholarship application is available now and will close on February 29, 2024.
