Steps to Enrollment

Virtual and in-person/on-campus enrollment services available.

New Instructional Building 1

$21.2 million state-of-the-art instructional building

Current Construction Projects

Student Services Building: The $25.2 million facility will become a one-stop hub for all student services. The project involves the demolition of the old Library building, and construction of the new Student Services Building. Estimated Completion: Fall 2022

Current Construction Projects

Instructional Building 2: The $25.6 million project involves the removal of Row Building D, and the remainder of Row E and F buildings, and construction of a second state-of-the-art instructional building on campus. Estimated Completion: Winter 2023

Future Construction Projects

Compton College Physical Education Complex: This $45.6 million project includes the demolition of the current gymnasium, men's shower/locker, classroom V, pool service, pool, and women's shower/locker buildings; and the construction of a new gymnasium, men's and women's locker room, faculty office space, and physical education support space.

Future Construction Projects

Compton College Visual and Performing Arts Complex: This $13.4 million project includes a new facility to support music, dance, performing arts, film and video programs. Strategic placement of this new facility, adjacent to the renovated Little Theater, provides space for an outdoor courtyard.

Future Construction Projects

On June 26, 2022, California lawmakers moved to include a student housing grant totaling $80,389,000 in the 2022-2023 State Budget for the Compton Community College District (CCCD) to build its proposed **250-bed student housing facility on the Compton College campus**.
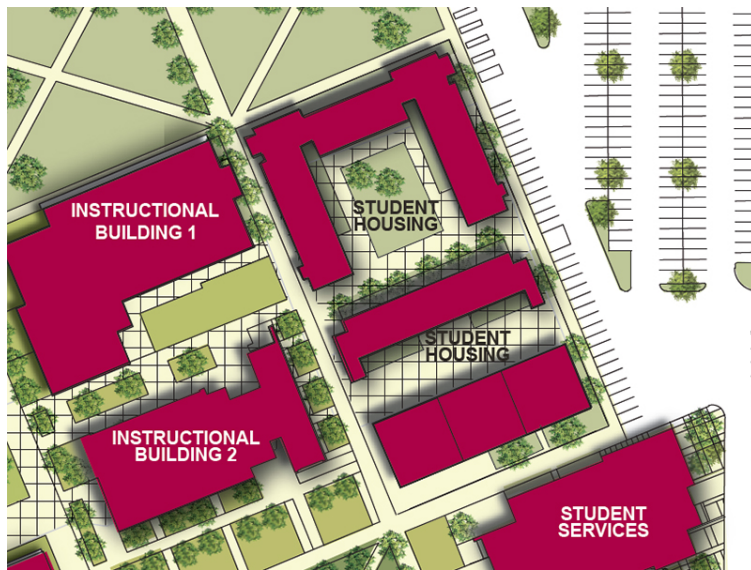

- The proposed Compton College student housing will be located at the northeast corner of campus.
- Phase one of the 86,000-square-foot building will include four floors of affordable student living quarters with 100 percent occupancy earmarked for eligible low-income students.
- The facility will provide three types of living configurations: 50 double-room units with access to shared bathrooms and common spaces, 50 double-suite units with bathrooms and access to common spaces, and 50 studio units for single occupants for a combined total of 250 beds.
- Amenity spaces will include study areas/lounges, and shared kitchens.
- Phase two of this student housing project will include an additional 200 beds with a mix of double and single occupancy units.

EMERGENCY AID

Vaccine Incentive

Ongoing distribution of $350 Vaccination Incentive for students:

- $1,023,050 distributed to 2,923 students

The student vaccination requirement ends January 1, 2023.

- Proof of full vaccination status will no longer be required for in-person classes beginning with the winter 2023 term.
