

Academic Senate Approved Goals

Fall 2026 – Spring 2028

Ongoing Goals		
Goal	Plan/Action(s)	Status
1. Maintain representative membership of all divisions and full participation on all committees.		
2. Encourage faculty engagement during Academic Senate meetings.		
3. Support faculty leadership and interests.		
4. Maintain a process to communicate Academic Senate activities.		
5. Increase OER resources across all disciplines.		
6. Continue making our campus more inclusive and more equitable.		
7. Provide faculty support in designing and offering curriculum that addresses the implementation of AB705: Seymour-Campbell Student Success Act of 2012 for Math and English.		
8. Focus on increasing accessibility to all course materials to achieve 504/508 compliance.		
9. Support recruitment, enrollment, and persistence efforts by providing ideas and feedback on campus strategies.		
10. Implement data driven decision-making and evidence-based practices.		
Short Term Goals—Academic Year		
Goal	Plan/Action(s)	Status
1. Finalize Bylaws	Bring forward decisions by the team for consideration. Then revise the actual document.	Place large ticket items on the 9-17-26 Academic Senate agenda for discussion/review before making track changes
2. Finalize Collaborative Governance Handbook	Distribute to all committees for review before final approval.	
3. Design an approved Academic Senate Plan, which includes increasing the Academic	PD Coordinator Approved for 20% release time	Job duty description being

Senate Budget—including succession planning.		finalized and needs to be posted.
4. Support the implementation of new Academic Senate approved programs.		
5. Increase visibility of art on our campus		
6. Reestablish the Professional Development Committee (release time has been approved)	Consult with the Federation	
7. Finalize The Compton College 2035 Economic Value Model for BOT approval.		
8. Request AI recommendations from the AI Taskforce be brought forward to Academic Senate for review and approval.		
Long Term Goals—Exceeds an Academic Year		
Goal	Plan/Action	Status
1. Design and implement a Study Abroad Program.		
2. Work with colleagues on revising WEE 95 Courses.		
3. Support Grants for programs with low ROI		
4. Discuss increasing non-credit courses and programs		
5. Increase scholarships for students enrolled in vulnerable programs
