- Strongly Agree

The Employee Governance Survey was administered via e-mail by the President/CEO in the spring of 2019. It was designed to gauge perception of Collaborative Governance across campus.

Total Number of Respondents (N) : 100

The first page is a dynamic stacked bar graph displaying responses to the individual survey questions grouped by category. The second page contains a pie chart displaying campus committee websites used in the last year and a summary of written comments directed toward improvement.
