- Class Schedule
- Financial Aid

As Compton College completes the process to become an accredited college under the governing authority of the Compton Community College District (CCCD) by summer 2019, please be assured that multiple measures are underway to ensure a smooth transition. We anticipate a seamless continuation of all academic and support programs provided to our students as Compton College becomes a fully independent college, separate from the El Camino Community College District.

As part of the process, we will ask all current Compton College students to submit a release form allowing El Camino College to transfer educational, student and financial aid records to the Admissions and Records Office at Compton College. As of June 7, 2019 at 11:59 p.m., courses for the 2019-2020 school year will be offered under the authority of the CCCD, and all students earning degrees or certificates at Compton College will be issued a Compton College diploma awarded by the Compton Community College District.

# Transition Funding

## **State Budget includes \$11.3 million in Transition Funding**

The 2017-2018 California State Budget included \$11.3 million in funding for the Compton Community College District (CCCD) to support Compton College's transition to an accredited institution under the authority of the CCCD Board of Trustees.

Included in the funding was \$4.1 million for the purchase and installation of an Enterprise Resource Planning system/Student Information System to manage admissions, registration, and financial aid for Compton College. This system will assist the college with maintaining data for students, employees, alumni, and donors. The student information system was fully implemented at Compton College by January 10, 2019.

**For more information about the Compton College Transition, visit: [www.compton.edu/campusinformation/accreditation/transition/](http://www.compton.edu/campusinformation/accreditation/transition/).**

# STUDENT-CENTERED FUNDING FORMULA

# Student-Centered Funding Formula

- **FTES** (Overall, CDCP (enhanced non-credit), Dual Enrollment)

- College Promise Grant (BOG), AB540, and PELL recipients

- Transfer-level math & English Completion

- Associate for Transfers
- Associate Degrees
- Certificates (18+ Units)

- 9+ CTE Units Completion

- Transfer Living Wage

**CONNECTION**  
Initial Interest through Submission of Application

**ENTRY**  
Enrollment through Completion of "Gatekeeper" Courses

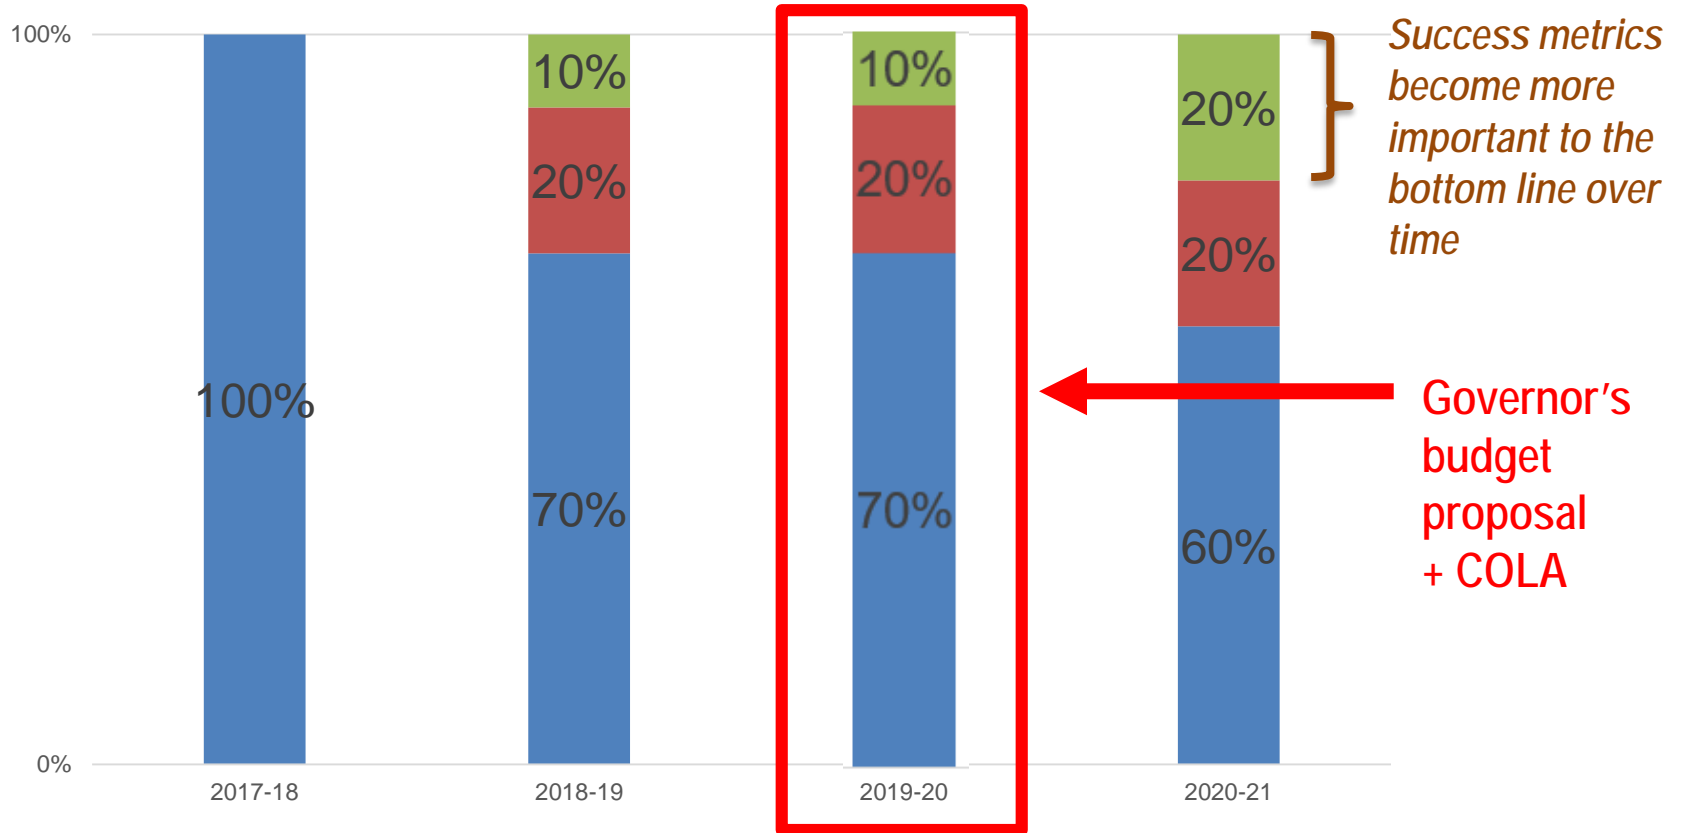

**PROGRESS**  
Entry into Course of Study through Completion of 75% of Requirements

**COMPLETION**  
Complete Course of Study through Earning a Credential with Labor Market Value

**TRANSITION**  
Movement to Four-Year University or to Workplace with Living Wage

# Student-Centered Funding Formula

- Student Success Metrics **New criteria to award success!**
- Enrollment of Low-Income Students **New criteria to award equity!**
- Enrollment **Continuing criteria to award access.**

# Student-Centered Funding Formula

With the implementation of the [Student-Centered Funding Formula, pg. 82-83](#) and the transition from El Camino Community College District, Compton College funding will be whichever is the greater of the following two amounts for each fiscal year from 2018-2019 through 2023-2024:

- Funding of 5,979 FTES amount plus the cost-of-living adjustment identified in the annual Budget Act and adjusted for increases to FTES; or
- Compton College will receive a funding amount computed pursuant to the new Student-Centered Funding Formula.

# Why are students not completing certain majors at Compton College?

- National challenge all colleges are facing – shift from access to completion.
- For over a decade, Compton College has been offering degrees and certificates based on El Camino College's approved curriculum and programs.
- We are now transitioning away from this model, and must ensure that students can start and finish their degrees at Compton College. To do this, the college is committing to:
  - Focus on Compton College approved degrees and certificates
  - Define clear pathways to enter and complete these programs of study
  - Offer and run all classes that are required to complete a program of study
  - Provide high-levels of support to help students succeed in their classes

# Compton College Projects – Spring 2019

- Continue with the implementation of the Assembly Bill -705 Seymour-Campbell Student Success Act of 2012: matriculation: assessment at Compton College
- Continue the implementation of the Compton College Tartar Focused and Directed Pathways to Completion (Guided Pathways).
- Development of the Compton College “Making Decisions Document”
- Update the Compton College Educational, Enrollment Management, Facilities, Staffing, and Technology Plans to be in alignment with the Vision for Success and the Institution Set-Standards.
- Implements the items cited in the plans section of the [ECC Compton Center Self-Evaluation Report](#).

# Compton College Projects – Spring 2019

- Implementation of action plans cited in the [Compton College Quality Focused Essay Special Report](#).
- Reestablishment of the Compton Community College District Police Department.
- Continue to review and update Compton Community College District Board of Trustees Policies and Administrative Regulations.
- Continue to improve facilities at Compton College and provide timely responsive to facilities request.
- Fully implement the College Promise Program with Compton, Lynwood, and Paramount School Districts.

# FACILITIES UPDATE

# Facilities Projects

- **Public Safety Building:** a groundbreaking ceremony occurred in July 2018 for construction of a \$4.7 million, all-new building to house the Compton District Police Department. Estimated Completion: July 2019.
- **Instructional Building 1:** The \$17.7 million project includes the removal of Row Buildings G, half of F, two-thirds of E, and Modular Buildings M1 and M2 (total of six structures) and replace them with a new, state-of-the-art instructional building. Estimated Completion: Spring 2021.
- **Instructional Building 2:** This \$25.6 million project involves the removal of Row Building D, and the remainder of Row E and F buildings, and construction of a second state-of-the-art instructional building on campus. Estimated Completion: Fall 2021.

# Facilities Projects

- **Student Services/Administration Building:** a \$20.4 million facility will become a one-stop hub for all student services. The project involves the demolition of the old Library building, and renovation of the existing Administration Building. Estimated Completion: Spring 2021
- **Physical Education Complex and Pool:** A new Gym will replace functions currently housed in the existing Main Gym, Shower and Locker buildings. A 25-meter pool will be located to the south of the new Gym. The project will include the demolition of the gym, classroom V, the pool, and men's and women's shower/locker buildings. The new construction cost is estimated to be \$36.9 million. Estimated Completion: to be determined; waiting on a approval from the Chancellor's Office
