ACCREDITATION

Accreditation Timeline

- The Compton College [Accreditation Steering Committee](#) (ASC) is preparing for the next seven-year accreditation cycle that will start in 2024.

- The ASC has established a [detailed timeline](#) to guide the completion of the next Institutional Self- Evaluation Report (ISER).

- Spring 2023 ISER Milestones:

  - January 2023 – Draft posted online and community feedback collected.

  - February 2023 – Final draft sent to constituent groups for first read and additional feedback.

  - April 2023 – Final draft of ISER made public, collect comments

  - June 2023 – Final draft submitted to CCCD Board of Trustees for first read

- July 20, 2023 – ISER submitted to ACCJC

Accreditation Update

- The ASC is now establishing its first master draft of the ISER, reviewing all standards.

  - The master draft will be reviewed two more times before it is prepared for public review in early 2023.

- The ASC will continue to host monthly meetings.

- On November 10, 2022, the college hosted an Accreditation Happy Hour to engage the campus community with the ISER.

  - All employees and students were invited to this event.

  - ASC leads represented their standard and content of their section of the ISER, while participants rotated through the presentation to collect facts and answers a scavenger hunt activity.

  - It is estimated that 300 people attended the event, while 65 participated in the scavenger hunt activity.

COLLABORATIVE GOVERNANCE

Collaborative Governance

2022-2023 Consultative Council Goals:

#4   Promote and bring awareness to the Compton College Collaborative Governance document.

#5   During the 2022-2023 year, increase participation among faculty, Classified staff, students, and managers/supervisors in the Compton College Collaborative Governance Process.

Collaborative Governance

Consultative Council Recommendations:

- [Collaborative Governance Handbook](#) undergo a thorough review (some sections need to be updated or expanded)

- Include Collaborative Governance in an upcoming Tartar Talks and Academic Senate meeting to remind faculty, Classified staff, and managers/supervisors of its purpose and to gather feedback on its contents.

- Document committee, sub-committee, workgroup and taskforce reporting structure

PROBLEM-SOLVING TO SUPPORT STUDENT SUCCESS

Collaborative Problem-Solving

Create a system of collaborative spaces and time for collective problem-solving to support student success, in the following areas:

- Change of Major Form and Process

- Student Petitions and Processes

- Graduation Application Process and Deadlines
