- UC & Cal-GETC articulation requests are submitted only once a year, and effective only for the Fall term. GE requests submitted this Fall, are effective for the following Fall.
- **Approved Course Outlines of Record (CORs) must comply with articulation guidelines/policies** such as Textbook recency (at least 1 text), Methods of Evaluations, Methods of Instruction, etc. Therefore, it is **highly recommended** that you meet with the [Articulation Officer \(AO\)](#) prior to submitting courses in CurrlQunet (Cnet) for approval; this ensures the course(s) will not be returned for corrections. If the articulation approval is skipped in [CurrlQunet \(Cnet\)](#), please reach out to the [AO](#).
