AGENDA

- I. Call to order
- II. Reports:
 - a. SLO Coordinator – No Report
 - b. SLO Facilitators – No Report
 - c. Dean of Institutional Research – No Report
- III. New Business:
 - a. Insights Update
 - (i) Insights Implementation (Williams) – Amari and Alister have been meeting with Insights team. They've set up the beta version. System will be used in Fall, and piloted by facilitators and SLO coordinator. Piloting will help us create instructions for faculty for the Fall.
 - (ii) Course Reports in Insights (Williams) – Insights is replacing ELumen, so we will have to replicate the course reports and recreate this all in Insights (CANVAS). This will be worked out next week at the next technical meeting with Insights transition team.
 - b. Spring 2025 Course Report Roll-Out (Mills) – Some programs have far too many course reports because of a large number of distinct courses in certain disciplines. Amari and

Jesse will work over Summer to combine/consolidate courses and their data, to minimize the number of reports faculty have to write. While some departments have 4-5 courses, others have over 50.

- c. Accreditation Exercise (Gillis) – Presenting the new accreditation standards, timeline and process, rubrics and had the committee begin to start working on the two standards relevant to this committee.

IV. Discussion Items:
