St. John's Well Child & Family Center provides the COVID-19 Pfizer vaccine using our on-campus health center as a vaccination pod. The COVID-19 vaccine is FREE to all eligible persons (Visit the LADPH website for more info). Individuals may call 1-866-980-0870 to register for an appointment.

Employees and students are encouraged to submit proof of vaccination status immediately and are required to submit proof of vaccination status in advance of the October 1 (or January 1) deadlines noted above. Student athletes must submit proof of vaccination status to the Athletics Department to Andree Pacheco, Director, Student Development & Athletics at [apacheco@compton.edu](mailto:apacheco@compton.edu). Employees — and all other students — must submit proof of vaccination status to the Human Resources Office to Rachelle Sasser, Vice President, Human Resources at [rsasser@compton.edu](mailto:rsasser@compton.edu).

Proof of vaccination status must consist of any of the following:

- COVID-19 Vaccination Record Card issued by the CDC or WHO Yellow Card;
- Documentation of COVID-19 vaccination from a health care provider;
- Digital vaccine record that includes a QR code readable by a SMART Health Card reader and which displays name, birth date, vaccine date, and vaccine type.

Employees or students who believe they qualify for an exemption or accommodation on medical, disability, or religious grounds must contact the Vice President of Human Resources, Rachelle Sasser, at [rsasser@compton.edu](mailto:rsasser@compton.edu) or 310-900-1600, ext. 2400. Please do so immediately, so as to allow sufficient time for the District to consider any requests for exemption/accommodation.

This action is an important step towards resuming normal life. It is my sincere hope that all of our students and employees get vaccinated.

Sincerely,

*Rachelle Sasser*
