Register Online

Your Compton College student email is your login to the **MyCompton** portal.

You will need to use the following temporary password to get access: AaYYMMDD! (YY=last two digits of birth year, MM=two-digit month, DD=two-digit day) **followed by an exclamation (!) mark**. You will be prompted to create a new password and to authenticate your account.

Waitlist

Students on a waitlist for a class must check their @compton.edu email daily to find out if a space becomes available in the class. If a space becomes available, an email is sent to the student with a specified time to register for the class. Students will not be automatically added to the class. The waitlist time periods are listed below:

- 48 hours to add the class for Winter and Summer terms; and
- 72 hours for Summer and Fall semesters

Open Enrollment

Unless specifically exempted by statute, every course, course section, or class, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to Compton College and who meets such prerequisites as may be established pursuant to Article 2.5 (commencing with Section 55200) of Subchapter 1 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

Unit Limitations

The student's program of studies will vary according to individual needs and objectives. The maximum full-time student program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study for a six-week summer session is eight units. The maximum program for an eight-week summer session is nine units if one unit is physical education. For the winter term, the maximum program of study is seven units. A student wishing to take more than the maximum units may file an Overload Petition through the Admissions & Records Office. Students must have completed at least 15 transferable units in one semester at Compton College with a 2.75 grade-point average and an overall grade-point average of 2.5 or higher to be eligible for an overload.

Fees and Fee Holds

Students are required to pay fees within ten (10) days of their enrollment in courses (AR-5031). A non-payment hold may be placed on a student record if registration fees are past due. This hold will prevent the student from registering or adding additional courses for the next and/or future semesters.

Removing a Fee Hold

To register for classes in an upcoming semester or intersession, all fees must be paid before registration begins. A fee hold is automatically removed once the balance is paid in full.

Refund of Fees

Students must drop their classes through the online system, at **MyCompton** according to the following schedule:

**Friday, January 8, 2023
for 100% refund.**

Refunds will be issued through BankMobile before the end of the semester. For more information about BankMobile, and to sign up, visit bankmobile.disbursements.com/refundchoices/.

The Student Activities Fee and Student Representation Fee (collected during fall and spring terms) are non-refundable after the second week of the semester.

Non-Resident Refunds

To receive a refund of your non-resident tuition, you must drop your classes through the online system at **MyCompton** according to the following schedule:

**Friday, January 8, 2023
for 100% refund.**

Admissions Requirements

Any person over the age of 18 or possessing a high school diploma or its equivalent from the USA or other nation shall be admitted unless prohibited by law. If under the age of 18, students will qualify if they have 1) graduated from high school or 2) passed the California High School Proficiency Examination. Compton College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may benefit from instruction.

Concurrently enrolled 11th- and 12th-grade students must comply with all

policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

Attendance

Students who enroll in a class but do not attend the first scheduled class meeting may be dropped from the roster. Additionally, their place in the class will be given to students on the waiting list. If an illness or emergency prevents a student from attending the first class session, the student must contact the instructor. A student who registers for a class and never attends is still responsible for dropping the class. Failure to properly drop a class by the appropriate deadline may result in a "W" and may hold the student responsible for any and all fees associated with the class. The burden of proof is on the student.

California Residency

California State Assembly Bill 540 (AB540) allows any student who meets all of the following requirements to be exempt from paying nonresident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. The student must have attended a high school (public or private) in California for three or more years or have attained credits equivalent to three or more years of high school coursework and a combination of three or more years at a California elementary or secondary school and
2. The student must have graduated from a California high school (public or private) or attained the equivalent (e.g., General Educational Development - GED or California High School Proficiency Exam) prior to the start of the term at Compton College.

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at Compton College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. In addition to the affidavit, the student must also provide an official high school transcript that clearly shows attendance in all semesters and the date of high school graduation. If the student attended more than one California high school, then official transcripts from all high schools must be provided. If the student graduated through equivalency

as mentioned above, then proof must be provided.

Student information obtained in this process is strictly confidential unless disclosure is required under the law. Students who meet the criteria will be exempted from the payment of nonresident tuition but will not be classified as "California Residents." Students will continue to be classified as "Nonresidents." Students who are in the United States under a student or visitor visa are not eligible.

Drops and Withdrawals

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student who fails to properly register or add a class will NOT receive credit for that class. Adding after the deadline is prohibited. If a student drops after the refund deadline, fees for the classes are forfeited. Any class subsequently added will require additional fees.

Students who want to transfer to a different section must complete a Section-Level Transfer form located online at www.compton.edu/student-services/admissionandrecords/Forms.aspx.

Student Records

Congress has provided in the "Family Education Rights and Privacy Act" (FERPA) that students have certain rights of access to their education records. A copy of the Act is located in the Library. Please contact the Admissions and Records Office for any information regarding your rights under the Act.

High School Students

By law, Compton College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. Compton College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at Compton College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with Compton College policies, procedures, the college calendar, and your rights as a student by reading the

class schedule and purchasing a college catalog from the Bookstore.

Parents - when your child enrolls in classes at Compton College, you lose some rights afforded you by the K-12 system. As per FERPA (Family Educational Rights and Privacy Act), any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Equivalent Courses

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the catalog, may also be used to meet a prerequisite. Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained electronically. Additional information is available online at www.compton.edu/student-services/support-services/counseling/Prerequisite_Clearance_Request.

Compton College School Codes:

FAFSA - 042817

Dream Act - 04281700

Compton College offers financial assistance to students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Loan (Subsidized, Unsubsidized, and Parent Plus), Private Loans, Federal Work Study, Cal Grants B & C, Student Success Completion Grant (SSCG), Chaffee Grant, and the California College Promise Grant, and other state grants. Please note that the California College Promise Grant only covers enrollment fees; students may be responsible to pay other fees

including health, student representation, and student activities fees.

Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. If you are a California Dream Act Student (AB 540), complete the California Dream Act Application (CADAA), in lieu of the FAFSA, at dream.csac.ca.gov.

The best time to complete your FAFSA or CADAA is between October 1 and March 2 for the upcoming academic year. (For example, apply October 1, 2022 for the 2023-2024 year.) Although applications are accepted year-round, you may qualify for more aid if you apply by March 2. Additionally, there is a March 2 priority filing deadline every year to be considered for additional grants, like Cal Grant.

Ensure that you are also meeting the Satisfactory Academic Progress (SAP) policy. (SAP is determined at the end of each semester for the subsequent semester.) To maintain eligibility for the California College Promise Grant, students must meet academic and progress standards by maintaining a cumulative grade-point average (GPA) of 2.0 and must complete more than 50% of units attempted. For additional information, contact the Financial Aid Office. Call 310-900-1600, ext. 2935, or email financialaid@compton.edu.

Return of Title IV Funds/Unofficial Withdrawal (Stopping/Dropping Out):

Federal regulations require a student to complete the term for which they were funded. If you have officially or unofficially withdrawn from all of your classes, stopped attending all your classes, or did not successfully complete any of your classes (received all F's), the College is required to calculate how much of the semester you did attend to determine how much of the aid you have "earned." You will be required to pay back the portion of financial aid you did not earn. This is called Return of Title IV, or R2T4.

When the Financial Aid Office calculates the Return to Title IV calculation, we must use the last date of enrollment and/or your last date of academic activity, as reported by your instructors, to determine how much aid you have earned. This date determines how much, if anything, you

must repay if you do not successfully complete any of your courses.

You may not be required to repay your financial aid under these rules if you only drop one or two courses and remain enrolled in at least one financial aid-funded course. It is only required when a student is no longer enrolled in or does not pass all courses for a term.

More information can be found at www.compton.edu/student-services/financialaid/.

Health Services Fee

The Student Health Center is open by appointment only; no walk-ins. Please call 213-226-7480 to make an appointment.

Free COVID-19 tests and vaccines, as well as flu shots are available by appointment for currently enrolled students who paid the Health Services Fee.

Students must pay \$19 each semester (and \$16 per term) to cover the operation, supervision, programs, and services of the Compton College Student Health Center.

Exception: Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization.

Exempted: Part-time dual-enrolled high school students are not required to pay the Health Services Fee.

Refund: Students who withdraw from all courses prior to the close of the second week of the term will be eligible for a refund of the Health Services Fee. Forms to request a refund may be obtained by emailing the Office of Student Development at studentdevelopment@compton.edu.
