Financial Aid Programs

Compton College School Codes:

FAFSA - 042817

Dream Act - 04281700

Compton College offers financial assistance to students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Loan (Subsidized, Unsubsidized, and Parent Plus), Private Loans, Federal Work

Study, Cal Grants B & C, Cal Grant Student with Dependent A, B, and C, Student Success Completion Grant (SSCG), Chaffee Grant, and the California College Promise Grant, and other state grants. Please note that the California College Promise Grant only covers enrollment fees; students may be responsible to pay other fees including health, student representation, and student activities fees.

Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. If you are a California Dream Act Student (AB 540), complete the California Dream Act Application (CADAA), in lieu of the FAFSA, at dream.csac.ca.gov.

The best time to complete your FAFSA or CADAA is between October 1 and March 2 for the upcoming academic year. (For example, apply October 1, 2022 for the 2023-2024 year.) Although applications are accepted year-round, you may qualify for more aid if you apply by March 2. Additionally, there is a March 2 priority filing deadline every year to be considered for additional grants, like Cal Grant.

Ensure that you are also meeting the Satisfactory Academic Progress (SAP) policy. (SAP is determined at the end of each semester for the subsequent semester.) To maintain eligibility for the California College Promise Grant, students must meet academic and progress standards by maintaining a cumulative grade-point average (GPA) of 2.0 and must complete more than 50% of units attempted. For additional information, contact the Financial Aid Office. Call 310-900-1600, ext. 2935, or email financialaid@compton.edu.

Return of Title IV Funds/Unofficial Withdrawal (Stopping/Dropping Out):

Federal regulations require a student to complete the term for which they were funded. If you have officially or unofficially withdrawn from all of your classes, stopped attending all your classes, or did not successfully complete any of

your classes (received all F's), the College is required to calculate how much of the semester you did attend to determine how much of the aid you have "earned." You will be required to pay back the portion of financial aid you did not earn. This is called Return of Title IV, or R2T4.

When the Financial Aid Office calculates the Return to Title IV calculation, we must use the last date of enrollment and/or your last date of academic activity, as reported by your instructors, to determine how much aid you have earned. This date determines how much, if anything, you must repay if you do not successfully complete any of your courses.

You may not be required to repay your financial aid under these rules if you only drop one or two courses and remain enrolled in at least one financial aid-funded course. It is only required when a student is no longer enrolled in or does not pass all courses for a term.

More information can be found at www.compton.edu/admissions-aid/financial-aid/.

Scholarships

These awards are granted to students who best fit the requirements established for each scholarship. For a list of scholarships, information as to their requirements, and application forms and deadlines, please contact the Financial Aid Office, or visit www.compton.edu/admissions-aid/financial-aid/scholarships.

Attendance

Students who enroll in a class but do not attend the first scheduled class meeting may be dropped from the roster. Additionally, their place in the class will be given to students on the waiting list. If an illness or emergency prevents a student from attending the first class session, the student must contact the instructor. A student who registers for a class and never attends is still responsible for dropping the class. Failure to properly drop a class by the appropriate deadline may result in a "W" and may hold the student responsible for any and all fees associated with the class. The burden of proof is on the student.

Children in Classrooms

Children are not permitted in classrooms while class is in session.

Attendance in class is limited to officially enrolled students and authorized visitors or authorized guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere at Compton College.
