- 72 hours for Spring and Fall semesters.

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student who fails to properly register or add a class will NOT receive credit for that class. Adding after the deadline is prohibited. If a student drops after the refund deadline, fees for the classes are forfeited. Any class subsequently added will require additional fees.

Students who want to transfer to a different section must complete a Section-Level Transfer form located online at www.compton.edu/admissions-aid/admissions-records/forms.

Attendance

Students who enroll in a class but do not attend the first scheduled class meeting may be dropped from the roster. Additionally, their place in the class will be given to students on the waiting list. If an illness or emergency prevents

a student from attending the first class session, the student must contact the instructor. A student who registers for a class and never attends is still responsible for dropping the class. Failure to properly drop a class by the appropriate deadline may result in a "W" and may hold the student responsible for any and all fees associated with the class. The burden of proof is on the student.

Fees and Fee Holds

Students are required to pay fees within ten (10) days of their enrollment in courses (AR-5031). A non-payment hold may be placed on a student record if registration fees are past due. This hold will prevent the student from registering or adding additional courses for the next and/or future semesters.

All fees, including any optional fees, such as ASG Student Activities Fee, and Student Representation Fee, that may have been requested at the time of registration must be paid by the deadline.

Students on a waitlist for a class must check their Compton College email DAILY to find out if they have been admitted to the class. If students are admitted to a class from the waitlist, they must pay those class fees on or before the next scheduled deadline or they will be dropped from all classes, including those already paid for

REMOVING A FEE HOLD

To register for classes in an upcoming semester or intersession, all fees must be paid before registration begins. A fee hold is automatically removed once the balance is paid in full.

In accordance with California Education Code 76355, students may submit a petition to the Vice President of Student Services to waive the health fee based on the following conditions:

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.

Students who pay the Student Activities Fee are also eligible to receive exclusive ASG promotional items.

All students may opt out of this fee at the time of registration or by notifying the Office of Student Development at studentdevelopment@compton.edu.

Students who opted out of the fee can pay the fee at any time during the semester and receive an ASG sticker at the Bursar's Office (SSB-161).

Student Representation Fee

The Student Representation Fee is a \$2 charge collected at the time of registration (fall and spring semesters only) for each enrolled student for purposes of providing student governmental affairs representatives the means to express their positions and viewpoints before city, county, district, state, and federal government as well as other public agencies. The \$2 Student Representation Fee is used by the Compton College Associated Student Government and the Student Senate of California Community Colleges to advocate and lobby for legislative issues that affect and benefit community colleges and community college students both at the state and federal level.
