The waitlist time periods are listed below:

- 48 hours to add the class for Winter and Summer terms; and
- 72 hours for Spring and Fall semesters.

For more information and to view Drop Policies, please visit www.compton.edu/admissions-aid/how-to-register.

Drops and Withdrawals

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student who fails to properly register or add a class will NOT receive credit for that class. Adding after the deadline is prohibited. If a student drops after the refund deadline, fees for the classes are forfeited. Any class subsequently added will require additional fees.

Students who want to transfer to a different section must complete a Section-Level Transfer form located online at www.compton.edu/admissions-aid/admissions-records/forms.

Attendance

Students who enroll in a class but do not attend the first scheduled class meeting may be dropped from the roster. Additionally, their place in the class will be given to students on the waiting list.

If an illness or emergency prevents a student from attending the first class session, the student must contact the instructor. A student who registers for a class and never attends is still responsible for dropping the class. Failure to properly drop a class by the appropriate deadline may result in a "W" and may hold the student responsible for any and all fees associated with the class. The burden of proof is on the student.

Transcripts

A transcript of the student's academic record at Compton College may be requested online at www.compton.edu/admissions-aid/admissions-records/transcripts. College work from other colleges will not be included on the Compton College transcript. Academic transcripts and documents from other colleges must be requested from those colleges. The first two Compton College transcripts are free. Additional copies may be ordered for \$10 each.

Welcome Center

The Welcome Center is located on the first floor of the Student Services Building and assists new, continuing, and returning students with the enrollment process. Services include application assistance, registration support, **MyCompton** Portal navigation, and much more.

Fees and Holds

Enrollment and other required fees are charged at the time of registration. Payment is due in accordance with the published payment deadlines established by Compton College for each term.

Students who fail to pay required fees by the published deadline may be subject to consequences for non payment, which may include being dropped from classes prior to the start of instruction and/or having a registration hold placed on their account. Registration holds may prevent enrollment in future terms and may restrict access to certain College services until the outstanding balance is resolved.

All required fees, as well as any optional fees requested at the

time of registration (such as the Student Activities Fee and Student Representation Fee), must be paid by the applicable deadline.

Students who are placed on a waitlist are responsible for monitoring their Compton College email account daily. If a student is admitted to a class from the waitlist, the associated fees must be paid by the next published payment deadline. Failure to pay required fees by the deadline may result in the student being dropped from one or more classes and/or being subject to registration holds, consistent with College policy.
