

# Winter 2024 Scholarship Workshops

The Compton College Scholarship program is committed to supporting student success and access by recognizing and rewarding student achievement. A scholarship is a gift - college funds that do not have to be repaid. Many Compton College scholarships are made available through the generosity of private donors who have helped promote the college's continuing commitment to academic excellence.

The 2024-2025 Scholarship application will open on December 4, 2023 and will close on February 29, 2024. Current Compton College students are encouraged to explore the many scholarships opportunities based on a variety of criteria.
