## John Molina, of Molina Healthcare, to Deliver 2016 Commencement Address at El Camino College Compton Center

El Camino College Compton Center will hold its 2016 Commencement Ceremony on Thursday, May 12 at 5:30 p.m. in the Tartar Quad. The keynote speaker for the ceremony will be John Molina, Chief Financial Officer at Molina Healthcare Inc. and Chairman of the Board of Directors for the Aquarium of the Pacific.

Founded in Long Beach, California in 1980, Molina Healthcare Inc. has grown into a multi-state organization that arranges for the delivery of healthcare services to persons eligible for Medicaid and other government funded programs for low-income families and individuals. John Molina has worked at Molina Healthcare since its inception when his father C. David Molina, M.D., opened its first clinic doors to the Long Beach community. Today, he oversees all financial activity as well as expansion efforts for the organization.

As CFO, Molina has transformed the company by managing its growth, leveraging technology, and taking the company public in the New York Stock Exchange under ticker MOH. Since going public in 2003, Molina Healthcare has seen the number of its members grow from approximately 564,000 to 2.4 million, boosted annual revenues from \$794 million to \$6.9 billion, and expanded the company's footprint from four to 15 states.

As charter members of the Aquarium of the Pacific in Long Beach, Molina and his family have been supporters since the aquarium's opening in 1998. He has also served on the board of directors of other community and charitable organizations including the YMCA of Metropolitan Los Angeles, Downtown Long Beach Business Association, and the Southeast Division of the American Cancer Society.

Molina holds a Juris Doctorate from the University of Southern California's School of Law, and a bachelor's degree in economics from California State University, Long Beach where he was elected to the Phi Beta Kappa honor society.
