

Entry to Campus Protocol and Phase-Out Timeline

April 18, 2023

The Compton Community College District will implement any mandatory federal, state or local public health orders (including, but not limited to, mandatory provisions contained in higher ed guidance from the [Centers for Disease Control and Prevention's \(CDC\)](#), [California Department of Public Health](#), or [Los Angeles County Department of Public Health](#)) and will take reasonable steps to implement applicable recommendations or "best practices" guidelines issued by federal, state, or local public health officials, including Cal/OSHA. ([MOU Between CCD and CCCFE regarding COVID-19 Vaccination Plan and Accommodation Processes](#))

Compton College continues to follow the [county's Guidance for COVID-19 Exposure Management in Institutes of Higher Education](#), including updating the scope of our Entry to Campus Protocol as necessary.

As of April 17, 2023, the following protocol will remain in place until further notice:

- All individuals, regardless of vaccination status, must wear a mask at all times when indoors and in the presence of others, except when actively eating or drinking, preferably outdoors.[#]
- Students and staff are encouraged to perform daily health screenings for infectious diseases, including COVID-19, and to stay home or seek medical care for any symptoms identified.
- [Compton CCD Resolution No. 08-17-2021A](#) – To Require Vaccination of Faculty and Staff on the Compton College Campus.[□]
- Employees who have an approved medical or religious exemption from the Office of Human Resources will continue to test weekly.
- COVID-19 test distribution program and referrals to St. John's Community Health COVID-19 testing services.
- The Office of Human Resources and the Pandemic Recovery Taskforce will continue to track and monitor [positive COVID-19 cases on campus](#).
- Online reporting tool remains available via MyCompton ("Report a Positive COVID-19 Case" tile).
- Plexiglass will remain in place at this time, in customer-facing office areas where transactions occur with the public.
- The District will continue to provide all employees with face coverings at no cost, upon request. Respirators and N95 (or N-95 compliant) must be provided for voluntary use by employees who request them and work indoors or in vehicles with other persons. ([Cal/OSHA ETS updated Nov. 8, 2022](#))
- The District will continue to maintain HVAC systems in good, working order; make available high-efficiency air cleaners, and upgrade air filters to the highest efficiency possible. ([CDPH Interim Guidance for Ventilation, Filtration, and Air Quality in Indoor Environments](#) – Updated March 22, 2023)
- Ongoing maintenance and cleaning of offices, classrooms, meeting spaces, and restrooms.[^]
- The on-campus Child Development Center will continue to follow the [LACDPH Guidance for Early Childcare Education Providers](#) (updated Oct. 27, 2022).

The following table lists the retired protocol and phase-out deadlines and justification for the change(s).

| Date | Protocol Adjustment | Justification |
