Compton Community College District

#	QUESTIONS	RESPONSES
1	<p>Regarding 3.4.4.10 Tab 9; Insurance Certifications:</p> <p>Our Specification sub-consultant is a small entity and does not carry Professional Liability Insurance. Typically in our experience Specification writers do not carry Professional Liability Insurance. They do however carry General Liability Insurance meeting your minimums. For this type of service would the District accept only the General Liability insurance?</p>	<p>The District is requesting full copies of the Professional Liability Insurance policies from the Respondent and all sub-consultants. Please include them under Tab 9.</p> <p>The District will also accept an electronic copy (PDF or Word format) of the Professional Liability Insurance opposed to including the paper version. Electronic copy (USB flash drive, CD) must be submitted with proposal.</p>
2	<p>Regarding 3.4.4.10 Tab 9; Insurance Certifications:</p> <p>Regarding the professional liability coverage policy request in Section 3.4.4.10 of the RFQ, we plan to only submit our professional liability insurance certificate which contains all pertinent information regarding our professional liability policy including confirmation of the minimum coverage amount listed in the RFQ. Should there be other information desired that is not on the certification and that is needed from the Policy? Please identify the information that you require.</p>	<p>The District is requesting full copies of the Professional Liability Insurance policies from the Respondent and all sub-consultants.
