

Introduction to *Films On Demand*

Overview

Video Collections

Master Academic Collection

Comprehensive collection covering 25 core academic subject areas, ranging from anthropology, art, architecture, and counseling to criminal justice, engineering, history, mathematics, and political science. Contains over 45,000 full-length videos and 341,000+ video clips.

Master Career & Ed Tech Collection

Consists of titles meeting Perkins guidelines covering multiple career and technical education preparation areas: career and job searching, computer science and information technology, cosmetology, fashion studies, guidance and counseling, hospitality and tourism, technical education and skilled trades, visual and performing arts, and visual communication. Contains over 7,000 full-length videos and 43,000+ video clips.

Nursing Collection

Collection designed to help nursing students pass licensure exams and prepare for long-term success in the health care system. Examines nursing foundations, nursing skills, patient care and intervention, and diseases, disorders and disabilities. Contains over 700 full-length videos and 5,000+ video clips.

Nursing Current Concepts & Practices Collection

Selection of most current video content to support nursing training programs, with titles within the last five years from producers such as Cambridge Educational, Classroom Productions Inc., Medcom-Trainex, and Elsevier. Contains over 400 full-length videos.

Archival Films & Newsreels Collection

Offers archival and historical films from multiple sources throughout modern history. Covers public events, wars, cultural phenomena, and government programs. Contains over 5,000 full-length videos and 13,000+ video clips.

Step 4: Type keywords or phrase in search box.

Option B: Institutional Log-In

Step 1: Go to Access Location

1. Go to the [Compton College Library homepage](#) and click on the [Library Streaming Video](#) tab, located on the left hand navigation menu.
2. Next, click on [Films On Demand](#) to go to the log-in portal OR bookmark [Films On Demand](#) to go directly to the log-in portal.

Step 2: Log-in

Use the **Facts On File** database credentials (case sensitive) to log-in.

Login credentials listed in the Library Database Passwords list, available for direct download through [Canvas Library Resources](#) or by request via [Ask a Librarian](#) or library@compton.edu.

NOTE: Database passwords are changed annually. Contact the Library to ensure you have the most current passwords!

How to Create Individual Account

Step 1: Log-in via MyCompton OR institutional database credentials.

Step 2 – Option A (MyCompton Log-in): Click on *Films On Demand* logo.

Step 2 – Option B (Institutional Log-in): Click on any tile listed as Streaming Video Collection.

Step 3: Click on **Your Profile** and select **Sign Up**

Next, click on **Your Profile** at the top of the page.

The screenshot shows the Films on Demand interface. At the top, there is a search bar with the text "Search 48,582 titles and 336,817 segments" and an "Advanced Search" link. To the right of the search bar is a "Your Profile" link with a red profile icon. A green arrow points to this link. Below the search bar is a banner image of a woman. Underneath the banner, the text "Home > Health & Medicine" is visible. The main content area is titled "Health & Medicine" and shows "5,775 Results". A video thumbnail for "Truth About Getting Fit at Home" is displayed. On the right side, a login window is open. It contains the text "You are currently signed in to your district account." followed by the Compton College logo. Below the logo, it says "Log in or create a personal account to customize playlists, save favorites, and take advantage of other features." There are input fields for "Username" and "Password". A red "Log In" button is present. Below the button, there is a link "Having trouble logging in?" and a "New user? Sign up." link, which is highlighted with a green box.

At the bottom of the log-in window, select **Sign Up** and follow the instructions to create your free individual account.

Step 4: (Optional) Customize Account Settings

1. Once logged-in to your individual account, click on your profile icon and select **Account Settings** from the list.

The screenshot shows the Films on Demand interface after a user is logged in. At the top, there is a search bar with the text "Search 48,582 titles and 336,817 segments" and an "Advanced Search" link. To the right of the search bar is a "Hi, Lynn" link with a red profile icon. Below the search bar is a banner image of a woman. Underneath the banner, the text "Home > Health & Medicine" is visible. The main content area is titled "Health & Medicine" and shows "5,775 Results". On the right side, a dropdown menu is open from the profile icon. It contains the following options: "My Content", "Courses", "Profile", "Account Settings" (highlighted with a green box), and "Dark Theme" (with a toggle switch set to "OFF"). At the bottom of the dropdown is a red "Log Out" button.

2. Select desired options from **Default Settings** (language, citation type, embed code size, video playback), **Caption Settings** (font size, font style, font color, background color, always start videos with captions enabled), and **Page Tools** (active and inactive display and order).
3. Click on **Save Changes** at bottom of page to process changes.

How to Organize & Save Content

My Content: Organize & Save Videos, Segments, and Quizzes

1. Once logged-in to your individual account, click on your profile icon and select **My Content** from the list.

- Select **Add YouTube Video** or **Add Folder** from the top menu to begin uploading/organizing content, or to view your saved videos and segments.
