

Introduction to Kanopy

Overview

About Kanopy

Kanopy offers a collection of ad-free streaming video content that covers multiple genres. Browse curated collections (e.g. Faculty Instruction Picks, Cult Films, Oscar Winners and Nominees, Black Cinema, LGBTQ+ Studies, Anime, et al.) or search by title.

Video Features

- Closed captions
- Transcripts & audio options (availability varies by title)
- Video speed control
- Custom clip creation
- Citation generator (APA, MLA, and Chicago)
- Video embedding or sharing
- Save titles to watchlists (with creation of individual account)
- WCAG (Web Content Accessibility Guidelines) compliance

How to Access

On Campus

No login required when connected to campus Wi-Fi or using a college computer.

1. Go to the [Compton College Library homepage](#) and click on [Research](#), located on the lefthand navigation menu.
2. Next, click on [Streaming Video](#) and click on [Kanopy](#).

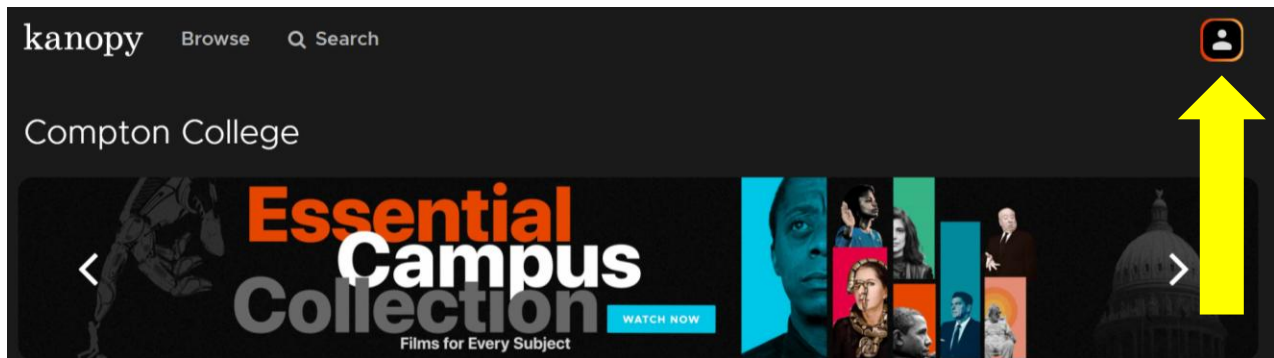

Off Campus

3. Go to the [Compton College Library homepage](#) and click on [Research](#), located on the lefthand navigation menu.
4. Next, click on [Streaming Video](#) and click on [Kanopy](#) to go to the log-in portal, OR bookmark [Kanopy](#) to go directly to the log-in portal.
5. Enter your MyCompton username and password to log-in.

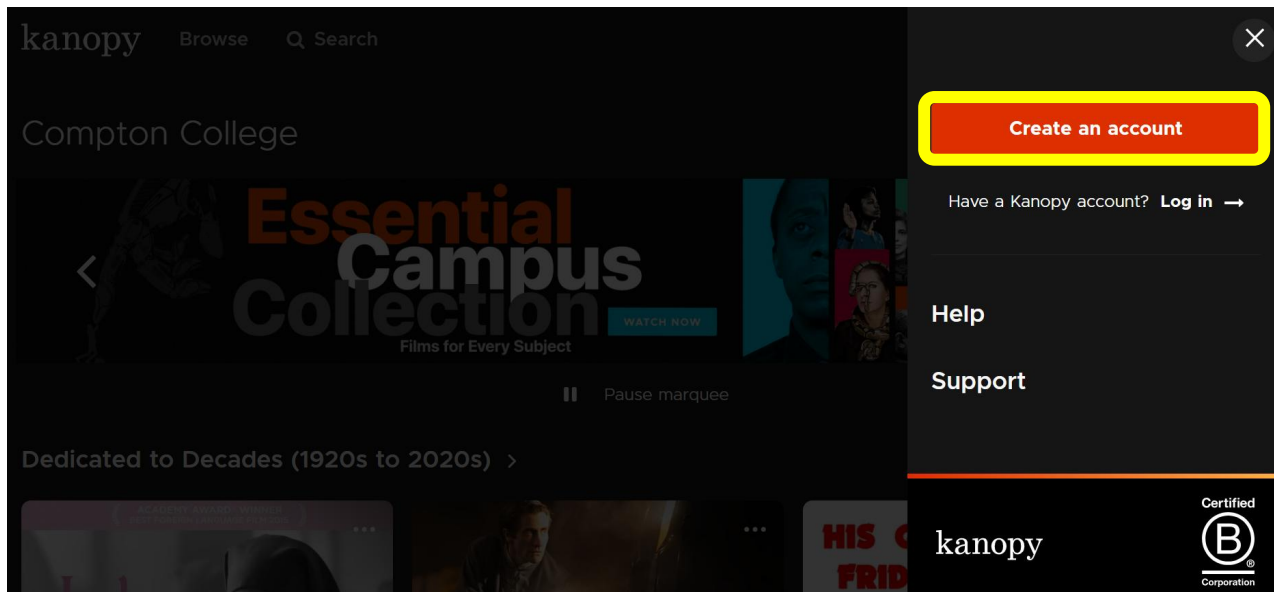

How to Create Individual Account

Individual accounts are required to save favorite titles and create watchlists and clips.

1. Log-in to Kanopy with your MyCompton credentials.
2. Locate the **account icon**  at the top right corner of the page and click on it.

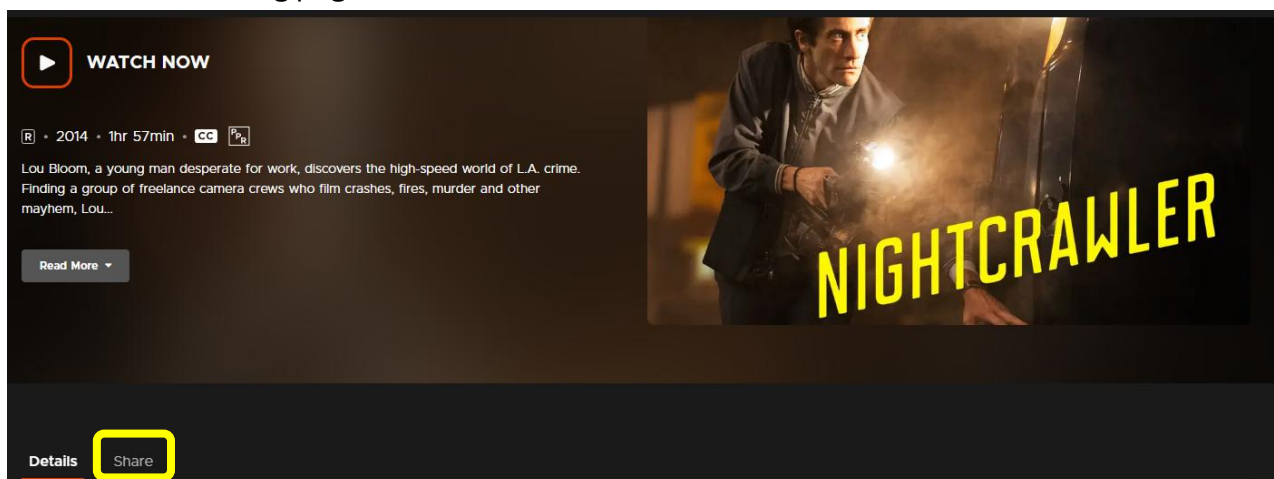

- Next, click on **“Create an account.”**

- Follow the onscreen instructions to create your personal account.

How to Share Content

- Click on the title you wish to share.
- On the title’s landing page, click on **“Share.”**

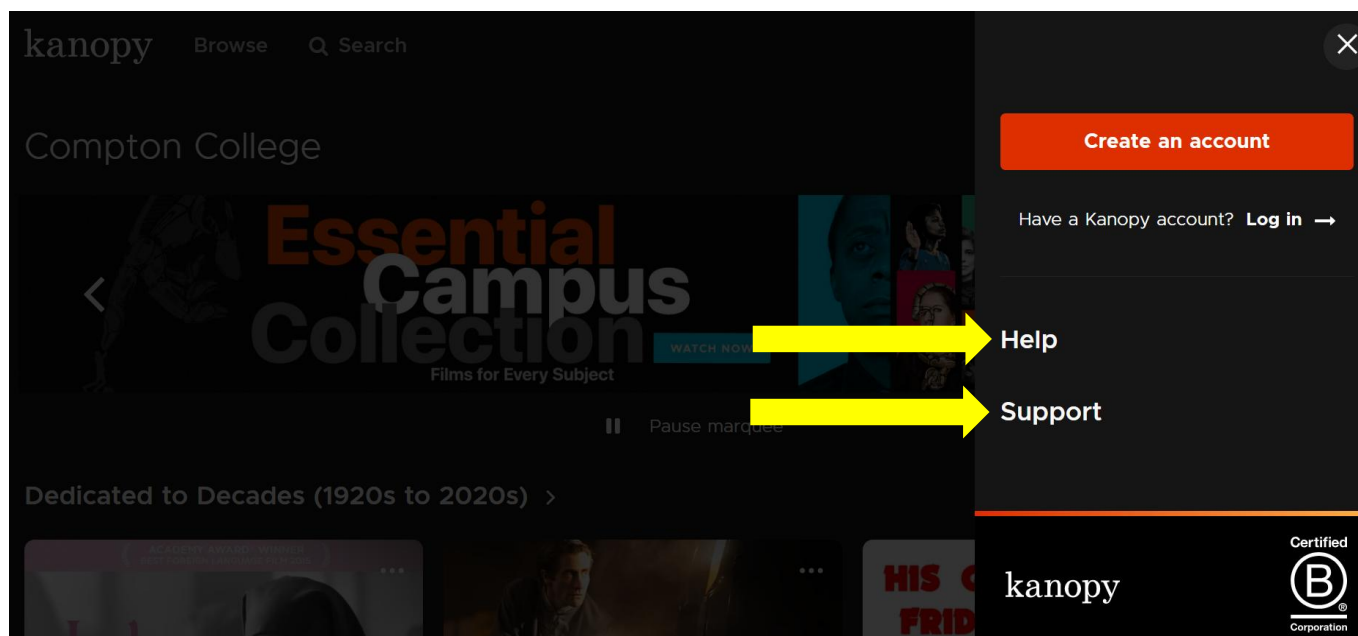

3. Choose from “**Link**” or “**Embed This Video**” to share the title.

Users may also access the citation generator (under “**Citation Tool**”) on this page.

The screenshot shows the 'Share' tab of a Kanopy video page. It contains three sections: 'Link', 'Embed This Video', and 'Citation Tool'. The 'Link' section shows the URL <https://www.kanopy.com/en/compton/video/15309747> with a 'Copy Link' button. The 'Embed This Video' section shows an iframe code with a 'Copy Link' button. The 'Citation Tool' section has tabs for 'APA (7th Edition)', 'MLA (9th Edition)', and 'Chicago (18th Edition)'. The APA tab is selected, showing the citation: Gilroy, D. (Director). (2014). *Nightcrawler* [Film]. Shout Studios. <https://www.kanopy.com/video/15309747>, with a 'Copy Text' button.

Kanopy Support

For help with Kanopy, first click on the the **account icon**.

- Click on “**Help**” for information on using Kanopy, troubleshooting, and account management.
- Click on “**Support**” to contact Kanopy directly by completing the required form.

For issues connecting to/accessing Kanopy, contact Charles Hobbs: CHobbs@compton.edu.
