New Book List - January - April 2026

Judy Blume : a life
Oppenheimer, Mark
PS3552.L843 Z795 2026

To know the name Judy Blume is to know and love literature. Her influential novels turned classics -- including *Are You There God? It's Me, Margaret*; *Tales of a Fourth Grade Nothing*; *Deenie*; and *Summer Sisters* -- touched the lives of tens of millions of readers. For more than fifty-five years her work has done something revolutionary: it rewired the world's expectations of what literature for young people can be -- frank, candid, earthy, and unafraid to show the messier sides of humanity. "--Provided by publisher.

The look
Obama, Michelle
E909.O24 A34 2025

The Look is Michelle Obama's inspiring reflection on how fashion has shaped her public and personal journey. Featuring over 200 beautiful photos, she shares the stories behind her most memorable outfits -- from the campaign trail to the White House and beyond -- along with insights from her trusted stylists and designers. More than a celebration of style, the book explores how clothing can express confidence, purpose, and authenticity.

Modern Russia : from revolution to the invasion of Ukraine
Blohm, Craig E.
HC340.12 .B5956 2024

The history of modern Russia is one of failed expectations, starving peasants, brutal terror against political rivals, and nuclear posturing. The collapse of communism left the door open for Russia to enter the twenty-first century as a peaceful nation. Putin's quest to return Russia to its former position in the world may ultimately hinge on the outcome of the Ukraine war"-- Provided by publisher.

An African history of Africa : from the dawn of humanity to independence
Badawi, Zeinab
DT20 .B33 2024

For too long, Africa's history has been dominated by Western narratives of slavery and colonialism, or simply ignored. Now Zeinab Badawi sets the record straight. In this fascinating book, Badawi guides us through Africa's spectacular history--from the very origins of our species, through ancient civilizations and medieval empires with remarkable queens and kings, to the miseries of conquest and the elation of independence.

24 hours at the Capitol : an oral history of the January 6th insurrection
Neus, Nora
E915 .N48 2025

"The January 6th insurrection was a well-planned attack coordinated largely right out in the open. Through original interviews and reporting, this thrilling oral history offers a minute-by-minute account of the riots through the never-before-heard stories of those who were there. "--Provided by publisher.

The age of extraction : how tech platforms conquered the economy and threaten our future prosperity
Wu, Tim
HD9999.M782 W82 2025

The Age of Extraction tells the story of an Internet that promised widespread wealth and democracy in the 1990s and 2000s, only to create new economic classes and aid the spread of autocracy instead. Wu frames our current moment with lessons from recent history - from generative AI and predictive social data to the antimonopoly and crypto movements - and envisions a future where technological advances can serve the greatest possible good.
