Undue process : the inside story of Trump's mass deportation program
Ainsley, Julia.
KF4842 .A55 2026

Undue Process is a harrowing chronicle of how the Trump administration aimed to create “the largest deportation force in U.S. history,” only to ignite a resistance within the government and across the country as they redefined the limits of executive power.

2030 : how today's biggest trends will collide and reshape the future of everything
Guillén, Mauro F.
HC59.3 .G84 2022

The world is changing drastically before our eyes—will you be prepared for what comes next? A groundbreaking analysis from one of the world's foremost experts on global trends, including analysis on how COVID-19 will amplify and accelerate each of these changes.

A whole new human : ten ways we must evolve to survive in the AI age
Rydall, Derek
Q334.7 .R93 2026

As AI accelerates beyond human capabilities, the real threat isn't that machines will replace us—it's that we will become more like them, losing the very qualities that define us. Every technological advancement, from calculators to GPS, has eroded essential human capacities, weakening our ability to think critically, create, and adapt. Now, with AI poised to surpass us in nearly every task, we face an existential crisis: How do we flourish as humans in a world where machines can outperform us?

Coming up short : a memoir of my America
Reich, Robert B..
E840.8.R445 A3 2025

A thought-provoking, principled, clear-eyed chronicle of the culture, politics, and economic choices that have landed us where we are today—with irresponsible economic bullies and corporations with immense wealth and lobbying power on top, demagogues on the rise, and increasing inequality fueling anger and hatred across the country.
