Dear [student name],

Congratulations! You have been admitted to Compton College for the fall 2021 semester. This offer of admission recognizes your hard work to graduate from high school. You and your loved ones have every reason to be proud. I hope that you celebrate this success despite these challenging times.

I want to take this opportunity to share that as a graduate of Compton, Lynwood, or Paramount school district, you are eligible to receive waived enrollment fees at Compton College when you participate in the Oliver W. Conner College Promise Program. This means that you can attend college at a very low cost. Instead of paying \$1,914 in registration fees for one year, **you will pay only \$74!** The best news is that waived fees are applicable for two years. To learn more, visit the following webpage:

<http://www.compton.edu/student/comptonpromise/fees.aspx>.

As you think about your next steps, I encourage you to learn about other Compton College programs and services that are available to support your college education, from free tutoring and student health services to transfer and career advising. To learn more, visit <http://www.compton.edu/student/services/>.

Once you are ready, accept your offer of admission by submitting an Oliver W. Conner College Promise application via this webpage: <http://www.compton.edu/student/comptonpromise/>. A Compton College representative will follow up with you to guide you through the Virtual Steps to Enrollment. You will also be invited to future events to help you learn more about Compton College. Secure your spot! **Submit your Promise application before April 30, 2021.**

Your experience at Compton College will be a unique time in your educational life. Create your success story at Compton College!

Sincerely,
