

# Associate of Science Degree—Cosmetology Major Preparation Worksheet

The Cosmetology program offers students the option to gain proficiency in hair cutting, coloring, permanent waving, chemical relaxing, manicuring, pedicuring, and facials. After completing introduction to cosmetology, Cosmetology Level I (Certificate of Accomplishment), students will have the basic skills for entry level positions as specified by the State Board of Cosmetology. Cosmetology Level II (Certificate of Achievement) will give the student intermediate skills to work in the cosmetology industry. Completion of Cosmetology Level II (Certificate of Achievement) will give students 1600 hours and prepares them to take the California State Board of Cosmetology Examination. Competencies are assessed regularly in compliance with the California State Board of Cosmetology criteria. After successful completion of the California State Board of Cosmetology Examination, students will have a state license to embark on their new career.

**Please note:** This worksheet is recommended for use with a counselor in an advising appointment. The information on this sheet does not replace the Compton College catalog. The Compton College catalog should be consulted for official coursework and graduation requirements.

Student Name:	Catalog Year:
